TALON 1985

D. Huffman

Ms. Huffman,

It was fun having you as a counselor. Ever since that first rotten day when everything was going bad, it has been going great. You are a very good person to talk to. I'm glad I met you. Hope (and pray) to see you next year.

Sincerely,
Andy Roberts

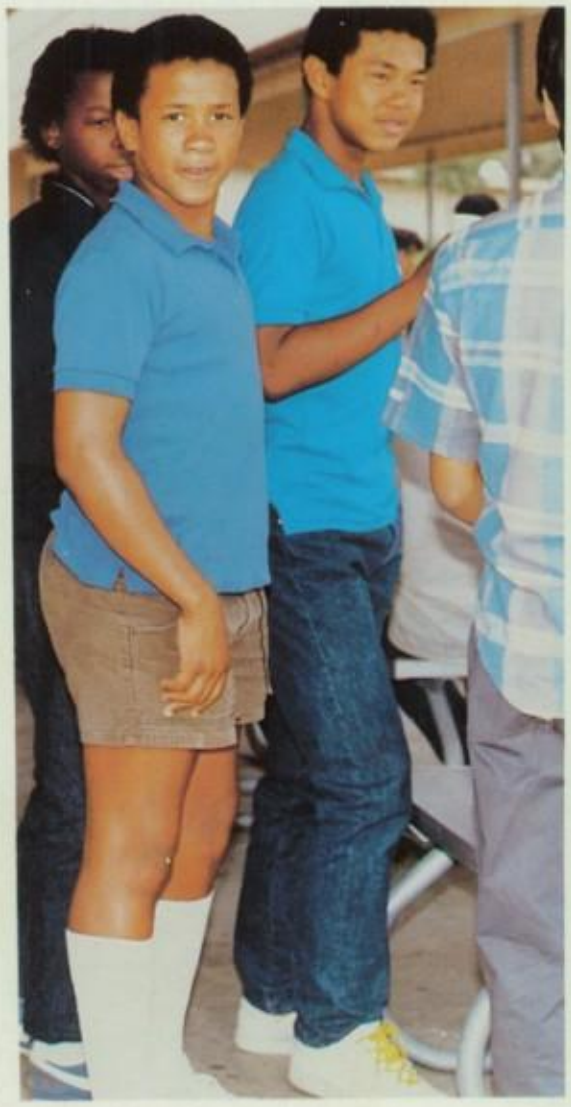
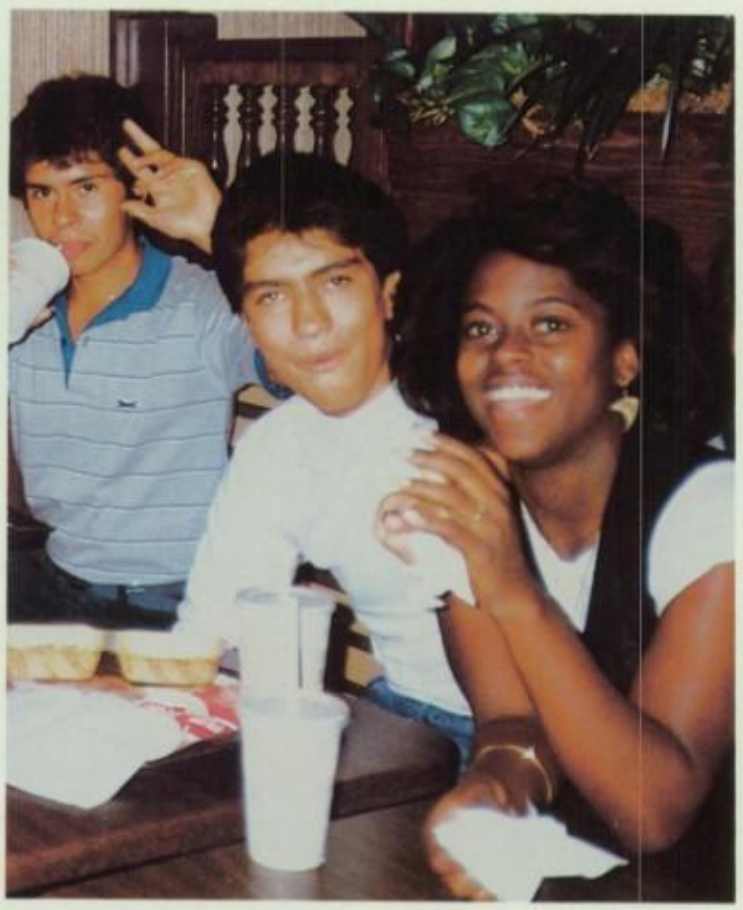
Our Lil' Rascals, wearing their Burger King crowns, show enthusiasm at lunch.
Freshmen, Anthony Lavin and Floyd Rouse talk with friends at lunch.



Security guards Linda Schultz and L.C. keep a watchful eye on lunching Falcons.
Elia Robles, Cherise Lee, Joby Tovar, and Ann Marie Mares safely return from a trip to Burger King.

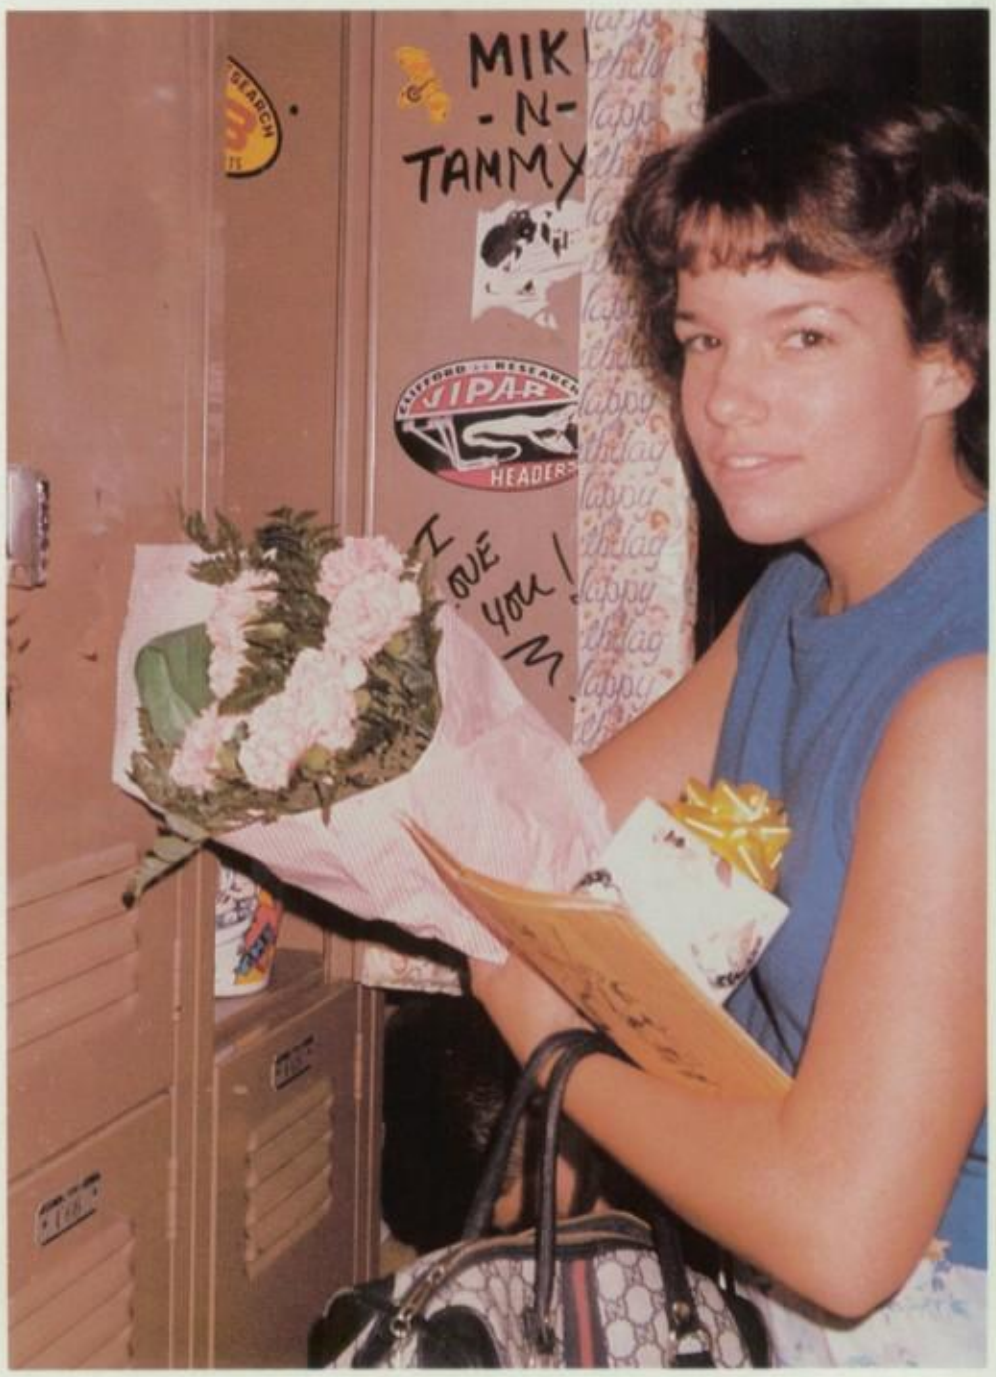
Mark Roehm and Paula Garcia don't seem to be as interested in John Serrano's story as Harold Fody and Frank Lara are.

Senior girls don't look too happy about having junior Lolita Harmon at their table.



Senior Stacey Beale shares lunch with juniors Richard Romero and Juan Sanchez at McDonald's, after sneaking past Linda and L.C.

Special friends arranged this birthday surprise for Tammy Potter.



Christine Ozoskey and Lisa Paul preview future styles.

Common insanity was the key to these seniors' friendship.

Friendship is not based upon fashions alone, as Frank Lara and Robert Borboa prove.

Friends . . . Memorable Relationships

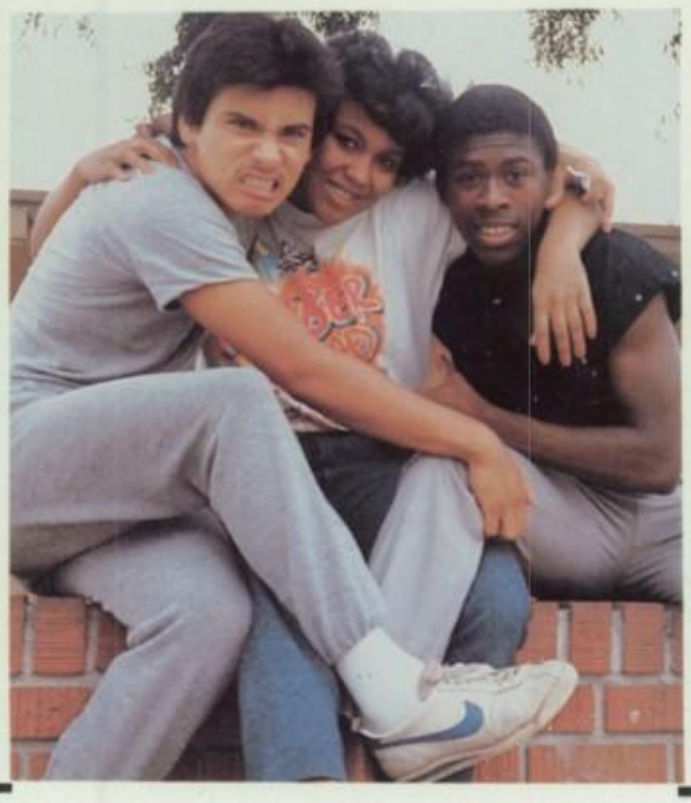
Underdressed Art Lopez poses with classmates Janice Ford and Nancy Williams.

Hey, Tammy Torrecilla, what does BBBBB mean?

Four senior girls are captivated by some unknown force.



Hugging Albert Caro and John Steen, Felicia Pickford confirms that brunettes have fun, too.

ACOSTA, CAROLIN
Favorite Song: "Crank Call"
Birthplace: Sydney, Australia
Activities: Photo Club 2 years, Spanish Club, "IN-SANES", Aquatics
Goals: To be happy and successful
Memories: My greatest memory was meeting Derrick S. also all my insane friends Lani, Paula, Bridget, Tammy. Going to the beach, movies, and Carl's. My freshman year and Richard C. Going to H^2O Polo games and watching S.R., G.L., J.H., Mr. Boggie and all the times he sent me to the office. Getting loud at the assemblies. UCI in summer with Wayne M., Connie R., and company. Talking about M.C., T.R. and more! Going out with Derrick, Lolita, and Myrone. Meeting the "scumbos" my freshman year and of course my 'lil brothers and my sis Suzy. But especially just being INSANE. Thanx for the support M & D. Look Daddy, I did it! All for you!

Favorite Song: any of Pat Benatar
Birthplace: Orange County
Activities: Cross Country
Goals: To be successful and have a happy home.
Memories: My memories of Valley have been good and bad. I've met a lot of friends over the years. There have been some really great teachers like Miss Hill, Mr. Mullen and others. I've been on the cross country team and met a lot of nice people, even Coach Payan. He helped me in different ways. I remember the good assemblies we've had and being rowdy with the rest of the class of '85. I remember friends like Aurora, Marina, Melissa, Patty A., Paula G., especially my boyfriend Tommy who made my years at Valley great, and I thank him. Thanks to everyone that I know.
AGUILERA, ALEJANDRO
Favorite Song: "I'm Out of Love"
Birthplace: Mexico
Activities: Guitar Player
Goals: Automotive Engineer
Memories: Now that I have the opportunity, I want to thank each and every one of my teachers for the education they have given me, which I feel is going to help me succeed not only in college as a student, but also in life as a human being. I really don't have the words to tell them how grateful I am, but I want them to know that they are very special and that I will always remember them. God bless you all.
ALAMAN, KATHY
Favorite Song: "Purple Rain"
Birthplace: Belflower, California

Memories: Student Council 4 years. Being with all of my friends whom I LOVE very much and won't forget them ever. My BEST FRIEND Rosa Garcia who I miss very much, LUV Ya! Ditching with Luis P. All of my Tall Flag #1 friends. My two favorite sisters Stella and Rosa M. My buddy Monica whom I am going to miss. Having fun in Ms. Von's class with "Claudia", Elizabeth, Manny, and Sandra. I'll never forget a special friend. Hiram who I Love and care for. God bless you!!! My LOVE and BABE ALBERT Rodriguez. My locker roomies Meme and Robert. LUV YA! and thanks for everything! My mom and dad who I love very much! God bless you all. Thank you Mrs. Dibs, I made it thank goodness!!!
AMEZOLA, GRACIELA
Favorite Song: "Lucky Star"
Birthplace: Aguaje, Mexico
Activities: CSF, Mesa. I dedicate as much time as I can in preaching the word of God.
Goals: to become a pioneer and help people.
Memories: I thank Mrs. Von for being a great teacher. What I will never forget is all the homework Mrs. Andrews gave me all the time.
ALVAREZ, GABRIELA
Favorite Song: "Carribbean Queen"
Birthplace: Yuma, Arizona
Activities: Spanish Club, Mesa and the U.C.O. Partnership Program
Goals: to become a business administrator
Memories: My freshman year. All of my friends Becky, Maria M., my sister Cathy, Silvia Z., Claudia, Patty, Silvia S., Bertha, Irma, Angie, Janina. Meeting each other in D building. The fun we had at some football games in my sophomore year. When Leo D. prayed before turning in a biology test. Class of '85 being the loudest of all. And also, thanks Mom and Dad, for letting me and encouraging me to get a higher education.

Birthplace: Siberia, Soviet Union
Activities: Frosh., Soph., J.V., Varsity Football
Goals: To become an electronics technician
Memories: Going through four years of football and hell week with Robert and Leo. Beating Santa Ana in my sophomore year, and in my junior year. Getting bummed out with Leo and the boys on Fourth of July. Partying with Leo, Mike, and the boys. Hanging around school with the boys. Meeting Maria Hernandez my sophomore year and still being with her. Having a lot of fun and good times with Maria. Getting married to Maria in my sophomore year at school, and all the other memories that are too much to list. Well, good-bye all! Love ya Maria! SAV football psycho #34.
ARREOLA, PATRICIA
Favorite Song: "Purple Rain"
Birthplace: Orange County
Activities: Journalism, field hockey and partying
Goals: Just continue my education for now.
Memories: My great memories were being part of journalism and eating Miss Hill's breakfast. Also playing field hockey on those rainy muddy days. Having B-day parties in Mr. Mullen's class. Then there is, was, and ever shall be my best mija Rosa. Going to football games, parties, and out to lunch with her. It was great, I love you! Then there is my good friend Leo #67 (the cute kid). You're great! My other unforgetable friends F.P. and N.H. The greatest yet, meeting Gary G. Lopez. It was boring, fun, and exciting. Thanks to all my friends. Thank you all and good-bye Valley.
ARTEAGA, ELIZABETH

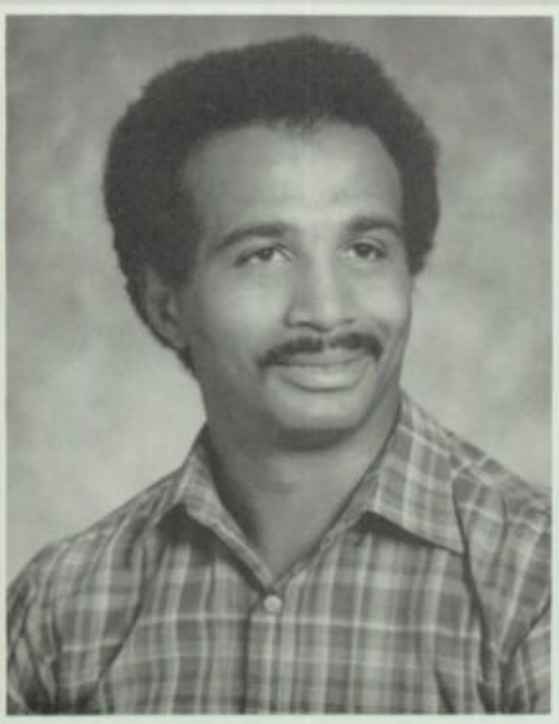
Gridsters Were Determined



Coach W. Williams

S.A. Valley's 1984 football team was persistent and showed great spirit!

A Falcon cruising to the sideline

Get that boy, Wellinton Bennett!

Nells dodging tackles

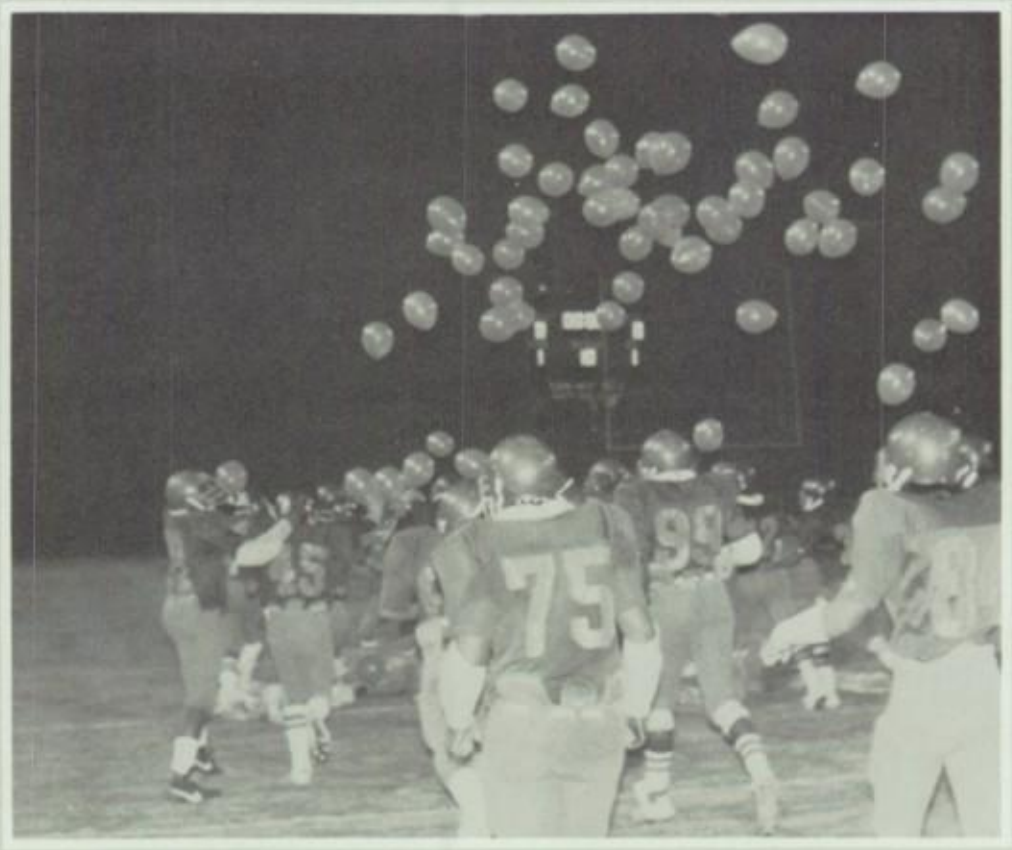
Although Valley recorded its worst year of football since its opening in 1959, the team should be remembered for persistence. In every game they went onto the field and gave their best shot for a win.

They never gave up. The team was always ready to put up a fight before they would accept defeat. The varsity team ended the season with a 0-10 record. Who would have thought the pre-season schedule could have predicted the outcome of the entire season?

They had no intention of ending their season with losses outweighing wins. However, the Falcons had been plagued with many injuries sustained in pre games.

One player who was knocked out for the season before it even started was key player, Alanzo Jamison. He was injured in action against Mater Dei. He was knocked out of the game by what the coaching staff and teammates considered to be a cheap shot taken by the opponents.

The Falcons gridsters showed spirit and determination throughout the season.



Oh, WOW! Balloons!

Sophomores Accepted Challenges

After a championship season, as freshmen in 1983, the Falcons looked toward the sophomore team as one which would cop the Century League title with no difficulty. This, however, was not to be the case. Of the 36 players expected to return, only ten actually appeared at the beginning of the season. The reasons for this exodus were varied. Some players moved from the district; some moved up to varsity, and some, unfortunately, proved to be ineligible.

The goal of every team is to achieve top scores and to improve their talents and sense of achievement. Because of the lack of depth, each game was close. The players were dedicated and competitive. However, the season proved to be both depressing and tragic.

Paul Peter and Oscar Alvarez were rated as two to the top players, according to Coach Eddie Steward. In spite of this disappointing year, the sophomores kept up their spirit and were looking forward to a more fulfilling year in 1985.

This year's freshmen football team did not win many games, but they definitely won in spirit. Coach Lewis Bratcher commented that the team had spirited attitudes no matter what the final score of each game was. The freshmen team had a lot of potential, but they were not quite ready to use it. Many of the team members were first year players in football. Coach Bratcher prophesized that his team will make an excellent number one team in the next few years. They may, in fact, capture the CIF 1988 championship crown. Although the whole team had many skills and talents, Coach Bratcher felt that the top players were J. Gunter, S. Murphy, and H. Bui. The whole team worked together as a spirited unit.

The 1984 water polo team exceeded everyone's expectations this year as they finished 3rd in the Century League and qualified for the C.I.F. playoffs. From senior goalie, Steve Redding, to defensive specialist, sophomore, Jeff Wines, the Falcons showed other teams that they were out for the win in every game.

Greg LaPointe led the team in scoring with 93 goals for a career total of 217 goals scored. A balanced offensive attack was a key to the success of the team as Gerald Wines, Paulo Fialdini, Victor Tajalle, and Jeff Wines, each scored about 40 goals.

Highlights of the season included a 6-5 win over Century League rival, Tustin. In the final regular season game, Valley defeated South Coast League Champion, San Clemente, 8-7 to finish with a regular season record of 17-5.

Post-season honors were numerous as four players LaPointe, Redding, Tajalle, and G. Wines were named to the All Century League Team. LaPointe, the Falcon MVP, was selected to the All C.I.F. and All County Teams while Redding was given an Honorable Mention on the All C.I.F. team.

Underclassmen Showed Potential

The Frosh-Soph and Junior Varsity poloists showed promise for future Falcons teams as they outscored and outplayed their competition. Just as the varsity team set a precedent by going to C.I.F., the Frosh won the Falcons' first league championship, capturing the Century League crown with a league record of 6-1.

Other honors earned by the teams included a second place finish in the 24 team Canyon Frosh-Soph tournament and a second place finish in the Los Alamitos junior varsity level. Le Roy Dill paced the Falcons with his tremendous shooting and team leadership.

The Frosh-Soph team, led by leading scorer Ed Ortiz, goalie Brad Ewald and team captain, Scott Nelson, frustrated opponents by playing outstanding defense each and every game. Brian Little, Tony Starr, Greg Keef, and Gary Smith were the other starters on the league championship team that finished with a season record of 15-3.

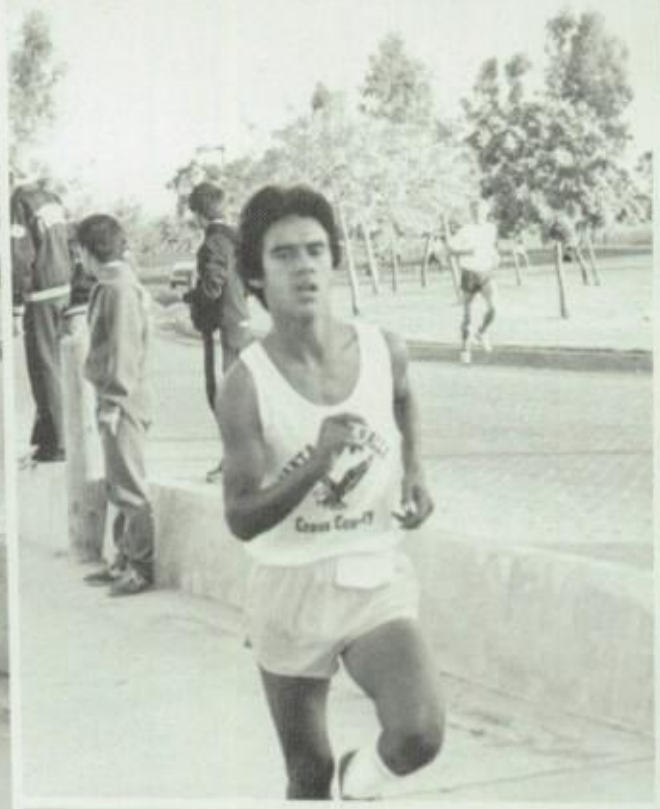
The boys' varsity Cross Country team finished the season with an impressive performance of the entire team. Due to the outstanding talent and effort of their top runners, the squad was a force which opponents found difficult to beat. One of the highlights of the year occurred in November when Jose Alcaraz, a most outstanding athlete, captured first place in China while he was representing the United States. Gus Cortez, Mike Langford, and Brenda Calderon, also competed in the China race.



With superior runners such as these, as well as the entire squad, the Valley Cross Country team, headed by Coaches George Payan and Paul Hogg, has become a team which other school teams respect.

Spikers Did It With Pride

The 1984 volleyball season was a very exciting season. The spikers had one of the best hitting teams in the league. The spikers enjoyed playing volleyball with each other.

Some of the best hitters on the team were: L. Pickering, S. Tavita, M. Otto, C. Bui, and E. Laulu. This year's most valuable players were: Lani Pickering and Soloi Tavita. They were selected by their teammates.

Coach J. Moeller worked very hard with girls. She put a lot of time and effort into the team. Coach Moeller enjoyed being with the girls. She also said they had a lot of spirit and potential.

Next year spikers will be one of the top teams in league. They will be looking for the championship.

Spikers Took Fifth Place

The j.v. volleyball team had a very impressive 1984 season under the guidance of a new coach Carl Warrell. The j.v. spikers' league record 7-7 allowed them to finish in 5th place. They were led by captains Susan Hatchett and Faith Sigler.

The j.v. team was very dedicated. They practiced and worked very hard to help one another. The team members also had a lot of spirit which brought them through bad times.

Some of the best hitters on the team were: S. Hatchett, J. Alo, F. Sigler, and L. Russell.

The team is looking forward to a great 1985 season.

Tennis Women Were Determined

This year's tennis team began the season with high hopes. The varsity and junior varsity teams had all the qualities of a winning team: spirit, and, most important, determination.

The team learned from many experiences they encountered throughout the tough league schedule. They worked out daily and tried to perfect their game strokes.

Some of the returning players were D. Young, V. Chalermpanth, M. Hernandez, and A. Vasquez. Newcomers included L. Almanza, M. Medellin, D. Radley, and M. Franco, who led the team this year. Coach Bob Render did an excellent job coaching the girls' team.

There are high hopes for next year's tennis team, which will consist of mainly seniors and juniors.

This year's field hockey teams were short on players but big on spirit. This was the first year in Falcon history that the field hockey teams were composed of fewer than 30 players for both varsity and junior varsity teams. Even though they had fewer players than their opponents, the varsity team placed fourth in league. The J.V. team which sometimes only had six players on the field, placed second in league.

Coach Sandy Ruller stated that the J.V. team played a very outstanding season. Varsity played a strong second half season and were extremely aggressive. Kathy Alaman, varsity goalie, had an excellent season according to Ruller.

The team members, aided by assistant coach Tammy Carver, played well together and showed great skill.

Seniors such as Israel Chavez and Steven Powers showed great skill and stamina in their matches. Chavez had a sensational record of 29-7 while placing 2nd in Century League, 5th in C.I.F and qualifiying as an alternate to state finals. Powers also had an excellent record of 24-4 and was crowned the 1985 Century League Champion. Underclassman Juan Naranjo (4th in league) and juniors, such as Robert Knight (3rd in league), Jesus Gonzalez (2nd in league), and Guillermo Soto (3rd in league), showed great intensity in their matches. These wrestlers all qualified for the C.I.F Championships held at Fountain Valley H.S. The season was great.

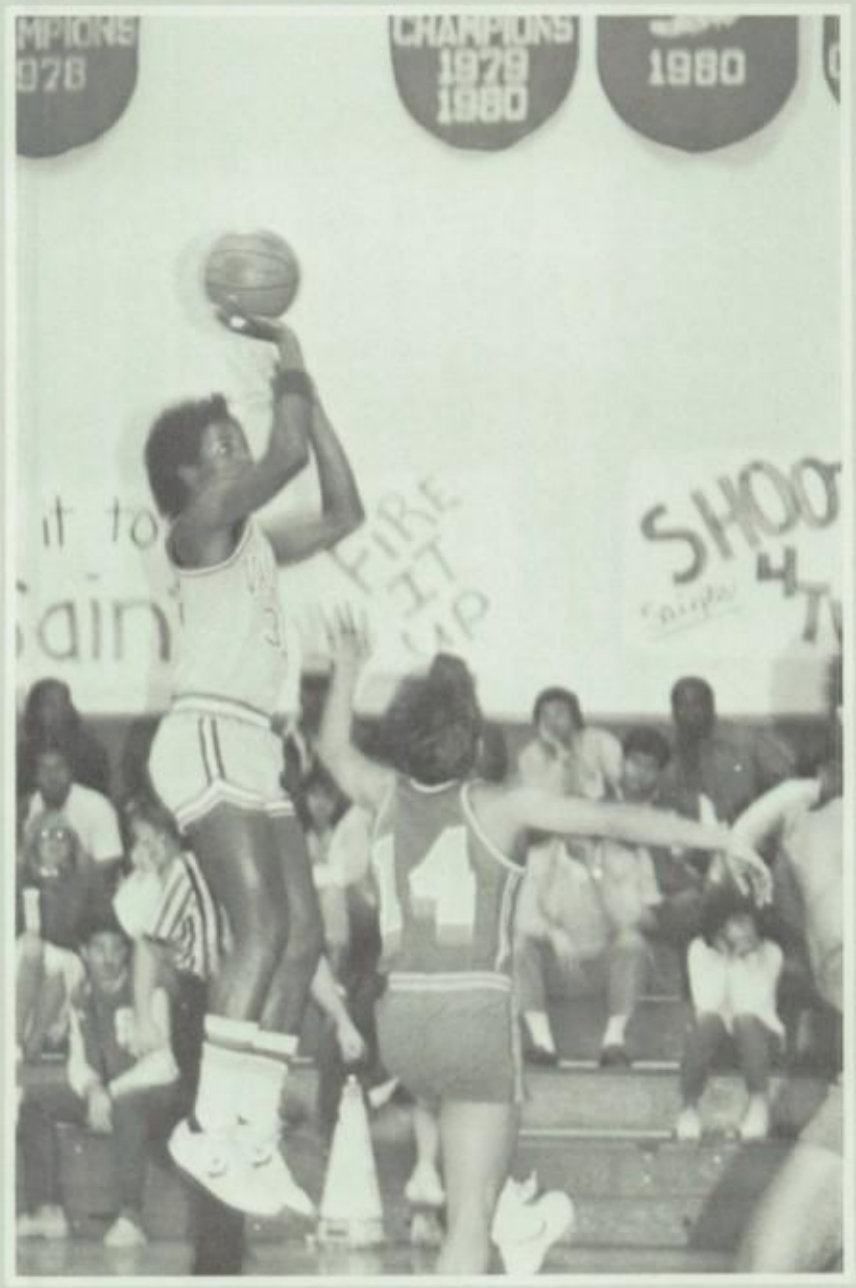
Alonzo makes an easy two.



Michael shoots his famous jumper.

There were many question marks concerning the varsity basketball team for the 1984-85 season. With only three returning players from the 1983-84 season, the team lacked experience. What the team lost in experience, it gained in enthusiasm. This loss will be a plus for next year's team because the team will have gained the needed experience and depth. Another big question raised was whether Alonzo Jamison would recover from a knee injury suffered during the football season against Mater Dei. The problem all were concerned about was the ineligibility of few of players, a fact which reflected not only on the players themselves but also on the school as a whole. Through all the setbacks the cagers managed to have a successful season (8-6, 9-14) improving upon last season's record and a last place showing.

The pre-season was marred by ineligibility and the absence of Alonzo Jamison. While many starters were sidelined, underclassmen such as Lonnie Ross, Quinn Hickman, Richard Alvarez, and James Shipp did rather well in picking up the slack. Michael Whitlock, played a key role in sparking the team with points, assists, and rebounds. Although, a few games were close, the effort was only enough to pick up one win.

The triple overtime game at Villa Park was a pivotal point and crucial in getting a good start. The Tustin game, Valley's home opener, was won decisively by a full court press and pressure defense. The return of Eugene "Pokey" Alls (a senior and co-captain), Earl Drake, and Alonzo, with the other starters Michael Whitlock and Alto Nelson (the other senior and co-captain) was the first step in getting the ball rolling. The Falcons had a tough week with three games, including a loss against cross-town rival Santa Ana High School. The team staggered and lost against Canyon and had a close game against top-seeded Foothill. A win against county-ranked El Modena at home, and a loss against Orange in the Dome at Orange put Valley at 3-4 midway through the season.

The second half of the season began with the team beating Villa Park and Tustin again to put Valley at one game above..500 at 5-4. A loss against Santa Ana dampened spirits towards hopes of making the CIF state playoffs until Valley then beat Canyon and Foothill to move up into a three way tie for 3rd place with El Modena and Foothill. A surprising development entered the picture when it was learned that the first loss against Canyon would be counted as a win because Canyon had had an ineligible player in that game. With that, Valley was 8-4 and in 3rd place all alone. The last two games were against El Modena and Orange. Both games were crucial in deciding whether or not the team would go to the CIF state playoffs.

All in all the season was productive and showed a big improvement over last season.

This year's sophomore team had a very tough season because the more experienced sophomores played J.V. The sophomores played hard but usually lost close games because of their lack of team depth. Frank Acosta is a promising varsity prospect. Other outstanding players were Sung Jeong and Leon Addison, according to coach Ed Steward.

Freshmen Captured Third In League

Top Row: Coach O'Neil, V. Whitlock, C. Ross, Marshall, H. Bui, Middle Row: D. Adams, Perkins Lambert, J. Vaughn, Beale Front Row: F. Vang, Lowery Cooks, J. Borjas

Taking third place in the Century League was an outstanding achievement for the frosh-soph basketball team. The hoopsters were enthusiastic and spirited under the excellent coaching of Bob O'Neil. According to the coach, Cliff Ross was the most improved player and Jurencio Borjas the most valuable.

All of the team contributed to the success; however, and Valley looks forward to having these young men represent the school in the future years of basketball play.

Girls Took Fourth Place

The girls' basketball teams, coached by Allen Bozovich (varsity) and Michelle Gomez (junior varsity) played exciting ball this season. Varsity, led by Cathy Smith and Tamiko Bell, hooped its way to capture fourth place in league. Since there were no returning seniors, the girls had a season of learning and practicing skills which will probably lead them to first place in 1986.

Junior varsity's top scorer Lozellen Austin kept the team alive in all their games.

Each game was a thriller, but the Canyon game, a tough opponent, showed how really great the women's varsity was. Valley won 47-45. It was a good season.

The Falcon varsity boy's swimming team outswam their competition this year in posting a 9-3 record. Valley was led by senior butterfly specialist, Steve Redding. Senior Victor Tajalle swam the breaststroke, and sophomore Jeff Wines lowered school records in the freestyle sprints in a year which saw many records fall.

Other outstanding varsity swimmers included: Gerald Wines, Paulo Fialdini, Steve Rinaldi, Ky Tran, Ed Ortiz, and Scott Nelson.

The highlight of the season was the "First Annual Santa Ana Valley Relays" in which the varsity team captured first place in every event, winning the meet.

Coach Noble observes his future Olympians

For years past, Valley has had a proud winning tradition in the sport of track and field, and this year's team is no exception. The defending Century League champs came back this season with an even stronger fervor to repeat last year's season. Although a very small team, the Falcons remained as a team to be reckoned with in the tough Century League. By keeping to such victorious tradition, the Falcons opened their season by winning their first few meets by an average score of 40 points.

Featuring a spectacular sprint corps consisting of seniors Brian Flowers, John Steen, Wellington Bennett, Shawn Smith, and juniors John Hollis, Ellis Bradford, and James Shipp, the Falcons were a tough team to beat. Distance runners such as Jose Alcaraz, Mike Langford, Gus Cortez, Tony Vargas, and freshman Sergio Trujillo, provided the very backbone of the team, and led the team to many victories. The team tapered its rough edges this year by recruiting more field event athletes. Athletes such as Michael Whitlock, Lionel Madden, Alton Nelson, Rodney Martin, Edward Burnell, Francis Tavalou, Lee Gasu, and Peter Hill were essential to balance Valley's successful season.

Last year Valley's track team took top honors in Orange County and won all of the invitational meets in which they participated. Some individuals took awards at the state meet. With such a strong team this year and with soph-frosh stars like sprinters Paul Peters and Francisco Lopez, Valley could easily take everything at state in 1986.

The 1985 girls' track team was small and young but extremely spirited. They had the desire and fight to win each meet. Only one senior, Maribel Hernandez, was on the team. However, the junior girls made up for the lack of seniors, and all competitors knew when the Falcons were on the track. All around trackster, Trina Nichols, excelled in sprints and the shot put. The girls are looking forward to an even stronger team next season.

Teamwork Prevailed

This year's badminton team was very enthusiastic and showed great sportsmanship. All in all they had a great season because they worked together as one unit. Coach Jan Cralle and Coach Sandy Ruller felt that sportsmanship was the most important thing to be learned. Therefore, there was no one star player or any team captain. Each game a different player was assigned the position of team captain. At any time any player could challenge another player for a higher position. In each game there was a different lineup. Through all the changes, the team had a great season that ended with an awards banquet at Chuck E. Cheese's.

Led by captains Moses Jacques and Ambrocio Casas, the soccer team showed outstanding abilities. The defense was superior. Sophomore Alberto Magallon was goalkeeper. Leading scorers were Jose Luis Guerrero and Arturo Morales. They helped keep the offense strong. Jacques and Casas were also the leading assistants when scoring. Jose Zuniga was the outstanding defender of the year. Excellent plays came from Casas, Francisco Hernandez, and Javier Mendoza.

"The coming year looks bright for Valley soccer," said Coach Bratcher. "This year's team had many juniors who will be playing as seniors next year."

The 1984-85 boys tennis team had a great enthusiastic year. They were undefeated in their pre-season games and the rest of the season was very successful. Spirit Was Their Theme

This year's varsity softball team began the season with great spirit and team togetherness. Everyone worked hard and tried to win every game. There were many outstanding players according to coach Ed Steward. Dawn and Vicki Kozak, Benita Esparza, Elia Robles, Susan Hatchett, Rachel Gomez, Stacy Beale, Roselyn Crain, and Joanna Subia were named. These starters were an outstanding batting team. Because only three seniors were on the team, the expectations for next year are great.

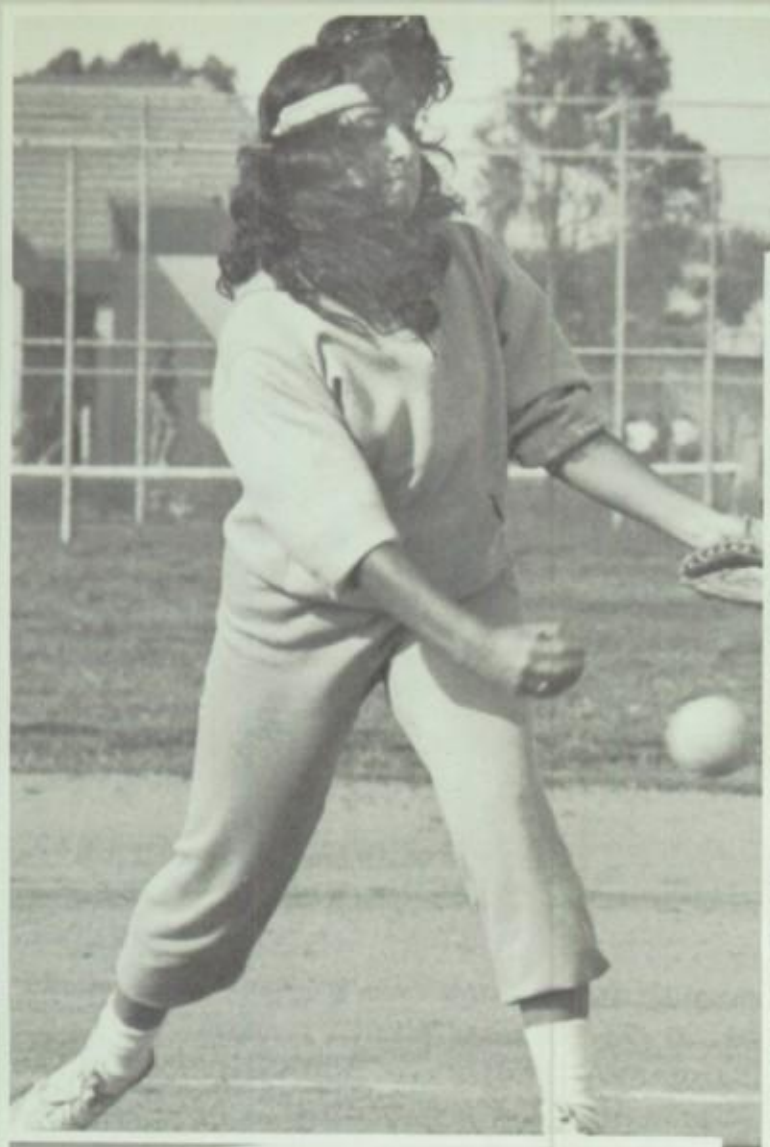
This was the year for softball. So many players went out for j.v. that Coach Buendia had a hard time choosing the finalized team since there were only a certain number of uniforms.

The J.V. started off with a great record of 2-2 in preseason games. J.V's proved to be a very competitive team. Some skilled players such as Cynthia Alls, Cecilia Sanchez, Toshia DuBois, and Dionne Rodgers should be great assets to next year's varsity.



Baseball Players Were Hard Hitters

Under the management of second year coach, Charlie Phillips, Valley's baseball program progressed greatly. With fundamentals emphasized throughout the year, the team improved daily. The winning spirit returned to the Falcons through the efforts of top players Doug Rodgers, Jesus Chavez, and Albert Caro.

The team struggled through a tough schedule and learned from this experience. "The foundation is set," said Phillips. "We expect good things in the next two years." With consistent underclassmen, the future for Valley's baseball program looks promising.

ACTIVITIES

Top Scholars Honored

Each year excitement grows when the time comes to choose the two top scholars of the year. These coveted honors, for which many students vie, are indicative of the tremendous academic ability of the winners. This year, many students were close to being named for valedictorian and salutatorian. The senior class was filled with a great number of academicians. Two, however, My Ngan Pham and Bang Kim Nguyen were chosen because of their impressive grade point averages and their all around ability and service to the school. The Falcons congratulate these two top scholars.

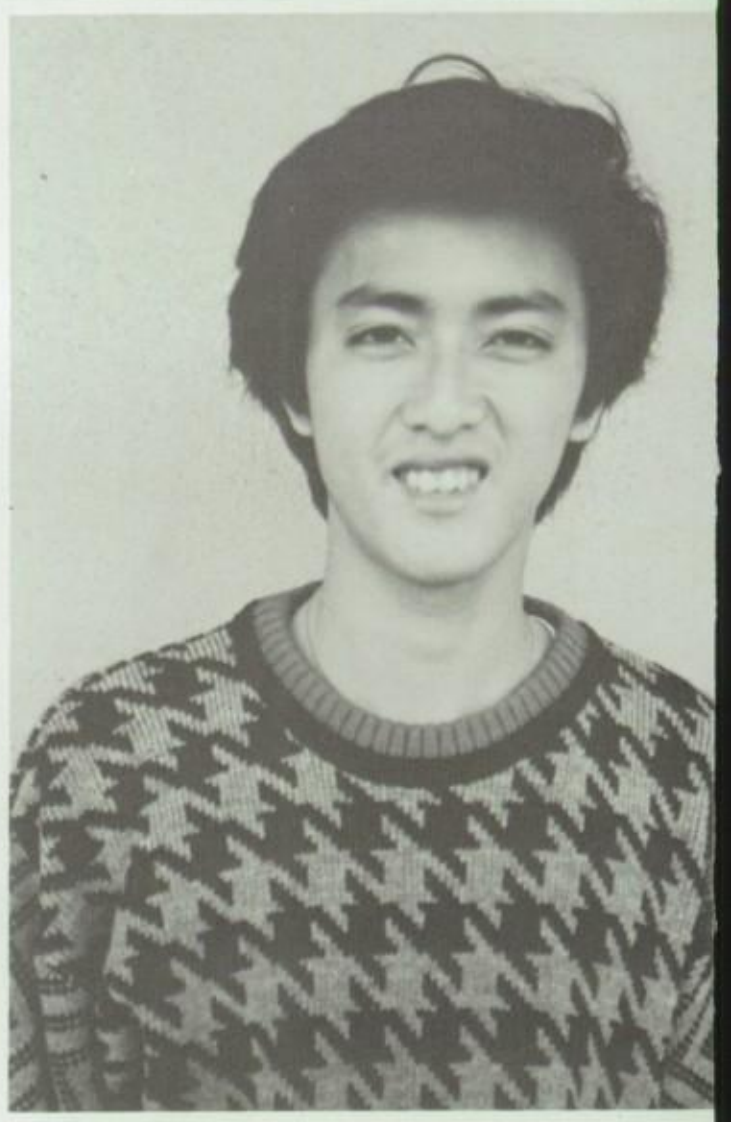
VALEDICTORIAN ...

Taking the top academic honor of the year, that of valedictorian, is seventeen year old My Ngan Pham. Born in Vietnam, My has been in the United States for ten years. Although she spoke no English upon her arrival, it did not take long for this brilliant young woman to conquer the language and show what ability she had academically.

An active Falcon, My participated in such clubs as Kiwanis Bowl, Key Club, and Future Business Leaders of America. My also was a well known member of the California Scholastic Federation in which she held the title of Sealbearer. In addition to her studies, My enjoys reading, volleyball, doing jigsaw and crossword puzzles, shopping, and watching television. Her favorite shows are "Remington Steele" and "Cover Up". In the GATE program since tenth garde, My regards Mr. Vincent, Mrs. Andrews, and Mr. Mullen as her favorite teachers.

My plans to study computer science at the University of Santa Barbara and hopes, sometime in the future, to marry and have children.

Of Valley she said, "This school is nice. I like it because it has a variety of ethnic groups. There are a lot of good teachers here who have helped me gain a superior education."



SALUTATORIAN ...

Bang Kim Nguyen, Valley's 1985 salutatorian, was born in Vietnam and has been in the United States for the last ten years. A member of the California Scholastic Federation and a Sealbearer, Bang has also taken part in such clubs as Photo Club and French Club. Bang played varsity tennis for two years and enjoys watching and playing tennis and basketball for fun. His favorite television show is 20/20, and he is an avid music devotee.

In addition to his scholastic work, Bang volunteers his time at the Red Cross. He works in the office and sometimes helps on special projects such as track meets for handicapped children.

Already a sophomore at SAC, Bang plans to attend USC or UCLA where he will major in biological sciences. He plans eventually to become a physician.

Sealbearers: Graciela Amezola, Bridget Baldwin, Chang Toufue, Dang Vinh, Huynh Thai, Nguyen Bang Kim, Nguyen Minh Ngoc, Pham Ngan My, Pham Thao, Ponce Bennett, Sasser Raymond, To Tinh Quang

In order to be eligible for membership in the California Scholastic Federation, a student must first have proven his academic worth by achieving at least 3 A's and 2 B's in primarily advanced classes. Students who maintained membership for at least four semesters were designated to become Sealbearers.

CSF members represented Valley in all academic competitions.

CSF members were versatile and popular. Most have already chosen specific careers to follow and are looking forward to even more successful years at the university level.

They were truly leaders.

STUDENTS OF THE MONTH

These young adults are the few, the chosen, the boys and girls of the month. These special students were nominated by the faculty members in various departments. Certain qualifications were reviewed before a student was chosen. These requirements included their grade point averages, their poise, their attitude, and their participation in extra curricular activities. These Falcons hold a special honor. They should be as proud of their acheivements as Valley is of them.

Bank Of America

The Bank of America awards are among the most prestigious awards in the nation. The recipients for this year's awards and plaques were Thai Kiet Huynh for applied and fine arts; Alton Nelson Jr. for liberal arts; and Thanh Huu Tran for science and mathematics. They received their awards at the Senior Awards Program. For those students who did not receive a plaque, there were certificates given to the most outstanding student in each of the following areas: home economics, art, music, business, trades and industrial, drama, English, foreign language, social studies, mathematics, computer studies, and lab science. Being nominated for either the plaque or the certificate was an impressive honor that may help these students in the future. Bank of America has sponsored these awards since 1948; this year marked their thirty-sixth successful annual awards night.

On February 27, Valley held its eighteenth annual school spelling bee competition. The successful spelling bee had the school buzzing with excitement. Who were to be the winners?

After a grueling day of spelling words such as paralleled, connoisseur, beatitude, camphor, and skoal, the winners were chosen.

Raymond L. Sasser, a member of last year's spelling team, took first place, with Maribel Nunez and Clara Sanchez taking second and third, respectively. Other winners included Cynthia Bady and Elizabeth Arteaga.

Nineteen eighty-five was a strong year for Valley's Orange County Decathalon Team.

Throughout the year, team members worked on improving their expertise on topics including language, literature, mathematics, social science, fine arts, health, and essay writing. The team was helped in its academic training by its hardworking and helpful coach, Ms. Sharon Saxton.

During the competition itself, competitors were given tests on the aforementioned subjects, were interviewed, gave a speech, spoke on an impromptu topic, and competed in a super quiz.

O.C.A.D. team members, individually and collectively, helped show that Valley's academic prowess was exceptional.

This year's Kiwanis Bowl team had some of the top academic students from the senior and junior classes. The team competed against several other high schools in the Santa Ana District in the C.S.F. Bowl. They also competed in the Kiwanis Bowl. Although they did not win, they enjoyed the competition and the value of team work.

The advisor Mr. John Mullen, along with co-captains Ray Sasser and Irene Gonzales helped organize the team. The team practiced early in the mornings on Mondays, Wednesdays, and Fridays. On Tuesdays and Thursdays they practiced during lunchtime. The team practiced to hone up their academic abilities.

At one point in time Valley was tied with Saddleback.

For the 1985 Tall Flags and Letterettes, the year was successful. The group was composed of almost totally new members and was one of the largest Tall Flag groups ever.

The girls, under the direction of advisor Denise Jay, practiced diligently every day during "O" and fourth periods. Their worked paid off when they brought home trophy after trophy during the year.

The Valley High School band had one of the most successful years ever in the history of the school. The band competed in marching tournaments all over Southern California and brought home trophies and wins from all major events. On parade, marching in distinctive new uniforms, the band took first place at Golden City Days, beating out Santa Ana and Saddleback by large margins. At Bellflower Fiesta Days, the band walked away with 3rd place honors; and at the San Diego Field Tournament, the first place trophy once again was theirs. The Marching Band was invited to perform at Disneyland and also received superior ratings at concert festivals. Other highlights of the year included the band's particpation in the District Band Pageant and sponsorship of their annual carnival which drew a record crowd.

Spirit Week . . . 1984

Spirit Week, 1984 . . . What a time the Falcons had! The apathy that had pervaded Valley in previous years seemed to have disappeared, and the student body entered into the week's activities with vigor. As usual, each day was set aside for certain events. On Monday, twins could be seen wandering the halls. On Tuesday, 501 day, classes were full of denim. The other days, Wednesday, Halloween Day, Thursday, Tourist Day, and Friday, Blue and Gold Day, were full of the same. Clubs outdid themselves with lunch items for sale which included such things as strips, eggrolls, popcorn, ice cream, and much more. Lunch time events included the pie eating contest, the balloon stomp, and the costume contest. Spirit was really high by the end of the week when Falcons prepared themselves to attend the Homecoming game and the coronation. All in all, it was a week of memories.

Homecoming '84 proved to be and exhilarating finale to a fun filled Spirit Week. The Homecoming Court was announced during half-time activities at the Homecoming game. Two weeks of campaigning and anticipation ended when Greg LaPointe and Angie Berber were crowned Homecoming King and Queen.

Many underclassmen also competed for Prince and Princess seats in the Court. Sixteen junior girls ran for Junior Princess. Eva Estrada came out on top as the winner. Her classmate Anthony Espinoza was crowned Junior Prince. Sophomores Rachel Gomez and Richard Quintana were also coronated. Many freshmen also vied for a seat on the Court. The victors from that class were Sergio Magana and Bertha Carona.

The gridsters began the Homecoming game with an 0-9 record, but they were in high spirits. The game pitted the Falcons against Orange High School. Sophomore Ray Nells gave proof that he will be a promising Falcon player in his future years by scoring two touchdowns; thereby giving the Falcons their only points of the game. The final score was 13-36.

Although the Falcons lost the game, there was a victory in the stands. Students, returning alumni, and boosters gathered at Eddie West Field to support the team. Spirits in the stands never faltered throughout the night.

Varsity Cheerleaders

They were everywhere. Sports events, assemblies in the gym, and in the auditorium. They were at Pep Rallies during lunch.

They sought to entertain the masses with their routines and cheers. Moving to the beat of the music or to the sounds of their own voices, they worked the crowds into a frenzy.

They elicited pep at numerous assemblies and rallies, bringing out the spirit of Valley in the onlookers. They turned boring lunches into exciting events.

They made dismal games more fun with their eye-catching moves. They encouraged athletes to work their hardest at events even if losing seemed inevitable. They helped a victory seem more special.

Who were these invaluable people who made life at Valley more bearable? VALLEY'S CHEERLEADERS AND SONGLEADERS, of course.

Who were those five sophomore and junior girls who cheered at all the freshmen and sophomore football and basketball games? Were they the same girls who stood in the stands at the varsity football games and helped the varsity cheer and song squads? Yes, they were. The girls with the loud voices and pep were the junior varsity cheerleading squad.

The junior varsity squad was led by sophomore Nicole Hardeman. They attended the USA Cheerleading Camp in the summer and were initiated there by the Valley song and cheer squads. Under the advisership of Sara Chandler, the j.v. squad had an active and enjoyable year.

Led by returning songleader Adrienne Johnson, the squad was a great added attraction to the half-time activities of the football and basketball games. The squad also competed in competition in El Monte and at Magic Mountain. Both competitions pitted the squad against some of the top high school pep squads in the state.

Money for trips to the competitions was raised by selling milk chocolate Santa Clauses and other candies. Mrs. Sarah Chandler was the advisor for the active squad. Senior Adrienne Johnson was captain and junior Paula Garcia co-captain.

Cast Worked A Miracle

On November 8th and 9th Valley High School put on its first play of the year. "The Miracle Worker," the story of Helen Keller, a deaf and blind mute. The play deals with the problems she faces with her family. The cast had many talented actors. Among the more experienced were Yolanda Orozco and Ray L. Sasser. There were also some who showed great dramatic potential, such as Dyann Devereaux and Kelli Owens. Ms. Terri Foy, advisor of Drama Club, directed this sucessful play.

Another Year Of Success

Once again Valley Villa under, the supervision of Pat Murtland and Judy Conners, gained the reputation of one of the best restaurants in Santa Ana. Students learned to plan purchase, prepare, and serve food. Gourmet food was offered to the Villa's clients on Thursdays and Fridays. It was a rare day when there was not a waiting list for this fine bistro.

The journalism staff for the year 84-85 has proven to be a hard working staff throughout the year. Their capability helped them make it through the transition of advisors, and they continued producing news, editorials, features, and sports stories of noteworthy quality. The staff was lead by a junior, Jessie Afllege who will be attending camp this summer in order to improve the *Falcon* in future years.

A Touch Of Brazil Comes To Valley

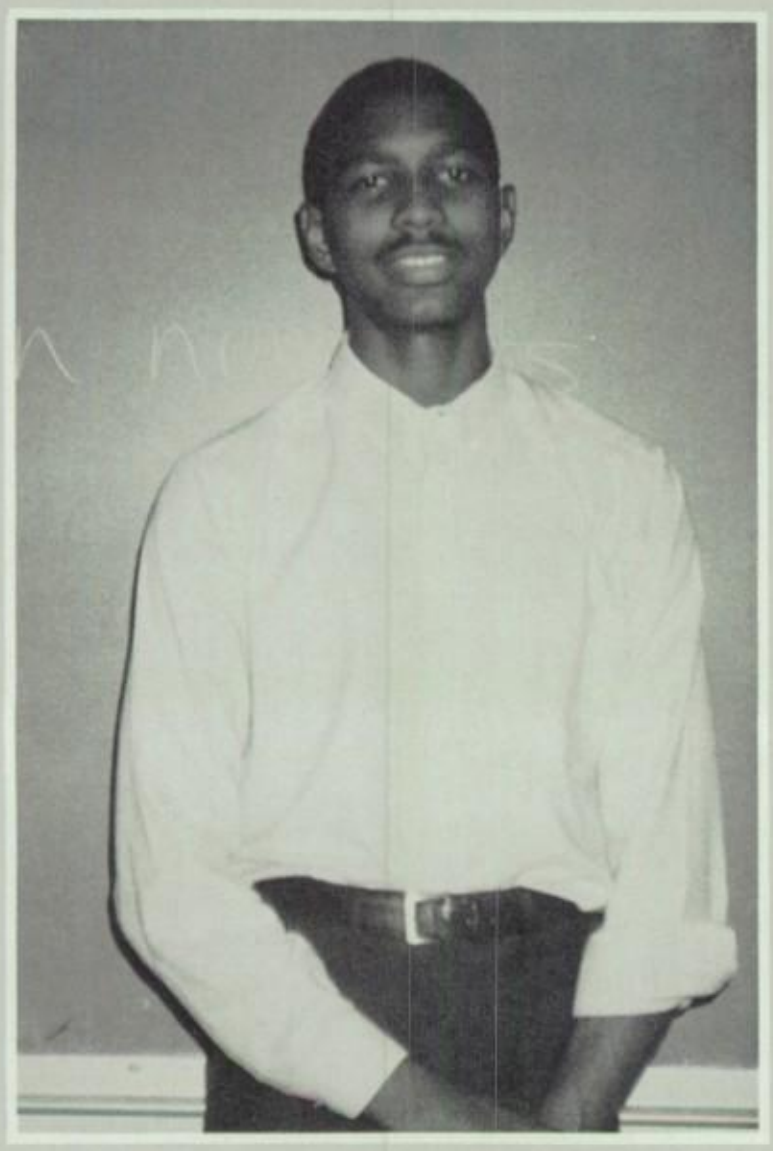
Uncle and Aunt Manfredo & Angela Fialdini, Paulo, cousin Marcelo.

My name is Paulo Fialdini.
I became an exchange student for a special experienced. I also came because I wanted to see the 1984 Olympic Games. My favorite hobbies are swimming, going to concerts, and going to the movies. My favorite movie was "Nightmare On Elm St."

I'm sixteen and a junior. My favorite groups are Duran Duran, and Twisted Sister. The customs here are different from Brazil's. Here the students change classes. Back in Brazil the teachers change classes. Also in Brazil there are no competitive sports. I still miss it. What I miss most, next to the beautiful beaches of Rio De Janeiro, is my family. I'm really going to miss Valley, water polo, and English class and of course, all of my friends. My future goals are to study and become an engineer.

Paulo showing off his board.

"Reps" Were Active At State.



When I was chosen to represent Valley at Boys' State, I didn't quite know what to expect. I thought all the guys would be the intellectual type. I was off by a long shot. Included in the 900 guys were intellectuals, jocks, and other types of people. The main objective of Boys' State was to teach the students our system of government by setting up a simulated government. I was elected to a councilman post in our city. The people in my city were a bunch of terrorists. They went around bombing other cities using paper bombs and kidnapping and killing governmental officials. These actions made the week a little more exciting, and were used for the purpose of creating cases to bring to trial.

We also had many sports tournaments. I entered the basketball tournament and advanced to the semi-finals. Many assemblies were held in the hot and crowded Sacramento State gym.

I have never been with so many talented people. They were friendly, humorous, and spirited. Though we were all different, we shared the same new responsibilities and the same problems. All that week we had fun. I met three guys with whom I still keep in touch. It was hard to leave my friends. We were feeling sad at the end of the week.

This was an experience that I will never forget. I thank Valley for this special opportunity. I also thank my friends who gave me support.

Alton Nelson

Alton B. Nelson, Jr.

Girls' State was centered around politics and leadership. Its main purpose does not pertain to one particular area because it touched several different areas. The main area that touched me was the area of leadership ability. It taught me how to use my ideas in a constructive way, to become a more powerful and effective leader. Moreover, it made me aware of how ignorant I was about politics. It made me realize that other teenagers, like myself, should take more interest in our governmental system.

Girls' State also taught me the true meaning of friendship. I met many people of different personalities and backgrounds. Each was unique and rare. Most importantly, the experience taught me how to share others' thoughts and feelings.

My attendance at Girls' State was extremely educational and most rewarding. It was a great honor to have been chosen for such a great event. I will cherish the precious moments that I had at Girls' State. It's a memory that I will never forget.

They Compiled Memories

The goals for this year's *Talon* were set quickly by editor-in-chief Bridget "Telish" Baldwin. She took special time to keep high standards for her staff.

It was a truly growing year since there were only four returning staff members. However, the new members worked long and hard to meet deadlines.

Yearbook is always a very closely knit class, and this year was no exception. The staff worked with pride, spirit, and unity to provide a true history of Valley 1984-85.

All right, guys, back to work.

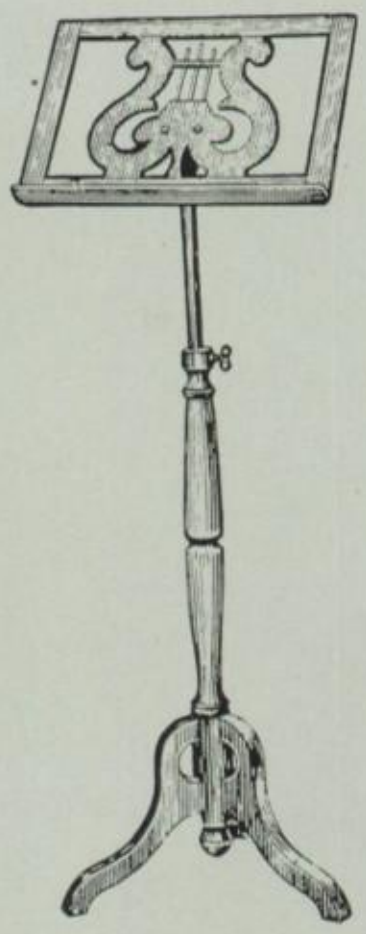
This year's chamber singers and choir had a wide range of talented singers. Advisor Ralph Lorenz helped to bring out everyone's potential singing ability while pianist O. D. Shear music enhanced the singers' voices to make for a beautiful combination. The two groups performed at several pageants and assemblies. Their practices were held during second and third periods in the choir room.

Get back to your singing, Maria.



What do we do now?

Spirit Was Their Goal

This year's Student Council, under advisor Derek Harrison, worked very hard, especially on building up spirit. In some cases, they succeeded; and in others they did not. During the daily meetings, the board passed bills, approved activities and club money raising events. The group also made posters for sports related events. Committees were formed to conduct the prom, dances, assemblies and Spirit Week. Spirit Week and several assemblies were successful. Under the exceptional leadership of students like Stacey Beale, Ray Sasser, Janina Almanza, and Terry Gonzales, the year was quite successful.

They Golfed To Victory

Faculty Golf Club

This year, Falcons saw the birth of a new club, The Faculty Golf Club. Mr. Bill Mills and Mr. Bob O'Neil were the co-chairs of the club. Among the members were: Al Cudahy, Chuck Deckard, Larry Dobyns, Bill Fisher, Sue Hamnquist, Bob Render, Gary Satrappe, Ken Tucker, Jon Wojkowski, and Bill Redding. Although all had played before, it wasn't until this year that they became active as a group. Among the best golfers were: Bob O'Neil, Bill Mills, Larry Dobyns, and Jon Wojkowski. They played and met on school holidays only. They made their money by donations of club members. The money they made was used to give prizes and trophies to the players. The purpose of the club was to have fun, relax, learn good sportsmanship, and improve their golfing skills.

FBLA Improved Skills

The FBLA Club, under the supervision of Mrs. Ferry and Mrs. Dervis helped students to gain a better understanding of the American free enterprise system, to build confidence, and to develop aggressive business leadership. They sponsored a lot of community service activities, such as "The Great American Smoke-Out." They also had a hospital visitation during the Christmas holidays, and participated in the Santa Ana float for the Pasadena Rose Parade. FBLA also made several field trips to major business corporations.

The members of this club included: Ngo Tran, Linda Le, Benita Esparza, Michelle Bauman, Linh Hue Ma, Evelyn Vasquez, Lien Duong, Phuong Tran, Angelica Berber, Thuy Tu, Patty Rendon, Raymundo Mejia, Manuela Piedra, My Ngan Pham, Kim Trinh, and Phuong Huynh. The officers were President, Rosa Piedra, Vice-President, Hung Tong, Secretary, My Dang, and Treasurer, Cuc Ngo.

En Pleine Activité

The purpose of the French Club was to promote interest in the French language and culture among the students of Valley High School. This year the club participated in Spirit Week activities. As a fund raiser, the club sold croissants; and the sale was a great success. The club's biggest event was a luncheon held at the Magic Pan Restaurant in South Coast Plaza. The members enjoyed delicious French food and had a great time! Officers for this year included: President Yen Tran, Vice-president Thuy Pham, Treasurer Minh Nguyen, and Secretary Linda Le. Advisor, Mme. Ussery, took over the club while Mme. Carrey was on sick leave.

The Laotian Club, with the help of Mr. Lewis Bratcher was active this year. Their plans and activities for the year included the winter recess picnic, field trips, and a candy sale during the first two weeks of March. At their annual end of the year picnic, the club members inaugurated new officers and honored graduating seniors. Toufue Chang and his senior officers inspired members to attend meetings and participate in events.

The Mathematics, Engineering, Science Achievement Program is designed to involve the "total" student. Activities require academic skills and social interactions. Members attended weekly tutoring meetings in all subject matters, and participated in local and regional competitions. Mesa had many incentive systems for its members. Monetary awards were given to students based on their performance, their PSAT, and their SAT scores. Ten MESA members who accumulated the necessary points spent three days on Catalina Island. An award banquet and a beach party were also held.

MESA students had the opportunity to broaden their awareness with field trips and speakers. On various occasions they toured the L.A Museum, University of California Irvine, California State College Long Beach, University of Southern California and California State Northridge.

Pep Club

The 1984-85 Pep Club had a lot of spirit this year. They showed spirit by wearing their yellow Valley Pep Club sweat shirts to every game. They also gave a great deal of support to the team. The Pep Club supported the cheerleaders by helping them raise money for a Magic Mountain Cheerleading Competition. All in all, the year was full of excitement for them.

Junior Statesmen

The Valley chapter of the Junior Statesmen of America was extremely diversified in ethnicticity. The purpose of the club was to teach governmental procedure and to instill an understanding of democratic principles in its members. Each member held a governmental seat such as senator, and each learned a great deal about political and social issues. In conferences members debated such issues as abortion and nuclear warfare.

The club, advised by Mr. La-Pham and Mr. Sawyer, raised money for field trips by selling candy and washing cars. They attended conferences in Sacramento and Costa Mesa.

Aquatics Club

The Aquatics Club's purpose on campus was to promote Valley's aquatic program. The club offered opportunities for the students to participate in different aquatic related activities. Club advisor, coach Don Cholodenko, offered lifesaving courses to members who wanted to become certified as lifeguards. The year's activities included fund raisers like the swim-a-thon and bake sales. Swim meets and water polo games were also held. The club also held many team parties.

Drama Club

Valley High School's Drama Club members enjoyed an exciting year. The members took a trip to Hollywood to watch the making of both "Double Trouble" and "Three's a Crowd". Members also helped in productions of several plays, including "The Miracle Worker", "A Christmas Carol", and "Arsenic and Old Lace". The club also participated in several dramatic functions.

Key Club Gave Service

The 84-85 Key Club had a very busy year. A service club, the members outdid themselves. As one of their activities members worked in a booth during the Santa Ana Golden Days. They had a Thanksgiving food drive, marched in the Christmas Parade, and worked on the Rose Parade float. The club also gave a Christmas tree to the Salvation Army. During the year, the club sold crystal gifts, coloring books, and rose pins.

Club officers included Brian Flowers-president, Tracy Shumake-vice-president Aventur Gonzales-secretary, Minh Ngoc-treasurer, Maria Hernandez-assistant treasurer, John Cruz- 9th grade director, Javier Pinon- 10th grade director. The club advisors were Charlotte Jaeger and Hal Kraynek.

Skiers Found The Snow!

The Ski Club, under the advisorship of Mr. John Soto, made a big come back this year. The weather was absolutely the best ski weather in years. In February, the club went to Mountain High Ski Area and enjoyed the beautiful snow. Unfortunately, no skiing was done because of some unexpected problems, such as, no chains and lost students.

Members raised money by selling pizza during Spirit Week and by selling ornaments during Christmas time. Robert Sasser, president of Ski Club, together with other officers, helped to organize these fundraisers. It definitely was a great time for skiing. Officers included: Vice-pres., James Fryslei, Sec., Christine Bui, and Tres.-Vinh Pham.

VIETNAMESE CLUB

Under the advisorship of Mrs. Shirley Bebereia, Mr. Thong Le, and Mr. Dat Phan, the Vietnamese Club instilled pride in Vietnamese heritage and culture. Throughout the year, members actively participated in community projects such as the publication of the Viet But, a student magazine which explained the school system, the requirements for graduation, and university entrance. In this magazine, poems, stories, jokes, etc. were created by the students.

Events of the year included candy sales and a booth during Spirit Week where members sold egg-grolls. The TET Celebration was one of the major events of the year. This year members Vietnamese Clubs from 17 schools in Orange County participated in Valley's celebration. Many activities filled the end of the year such as the year end picnic and the special banquet for graduating Vietnamese seniors. They were an extremely active group.

Photo Club

Under the direction of Ms. Joyce Okamura the Photo Club members were very active with the sale of Halloween grams in October, candy and corn nuts in November, and Christmas grams in December. These fund-raising activities enabled them to raise enough money to buy everyone Photo Club T-shirts. The design and colors were chosen by the members. Several designs were submitted by a few people, and a vote was taken which resulted in a design drawn by Danny Tamez. Another activity they enjoyed was a picnic at Centennial Park. They used this opportunity to take their club picture.

President

Class of "86" - Yes, the Junior Class was full of spirit this year! It seemed as if they all came out of the woodwork. They brought back joy, and a feeling of pride. They made everyone stand up and take notice. Everyone at Valley needed to have smiles put back on their faces and the juniors did it! When they smiled, it was as though they were proving that juniors were happy. Next year will be their year, and they will make it the best Valley has ever had! They will show both future and past graduates how to have an awesome year! The juniors had great leaders this year. Anthony Cruz, the class president, did an excellent job helping to make the junior class great. Terri Gonzalez, the junior vice-president, was outstanding in uniting the junior class. They should be proud to be called the "Class of 1986".

The Sophomore Class led by Susan Hatchett and Tashia DuBois, worked diligently to raise money for next year's junior prom which they will sponsor. Sophomores also participated in campus activities such as Spirit Week, pep assemblies, and on a Rose Bowl Parade float. Mr. Johnny Williams, sophomore counselor and class advisor, found the Hatchett and DuBois to be very well prepared. "They are number-one students who are very intelligent. I wish there were more like them."

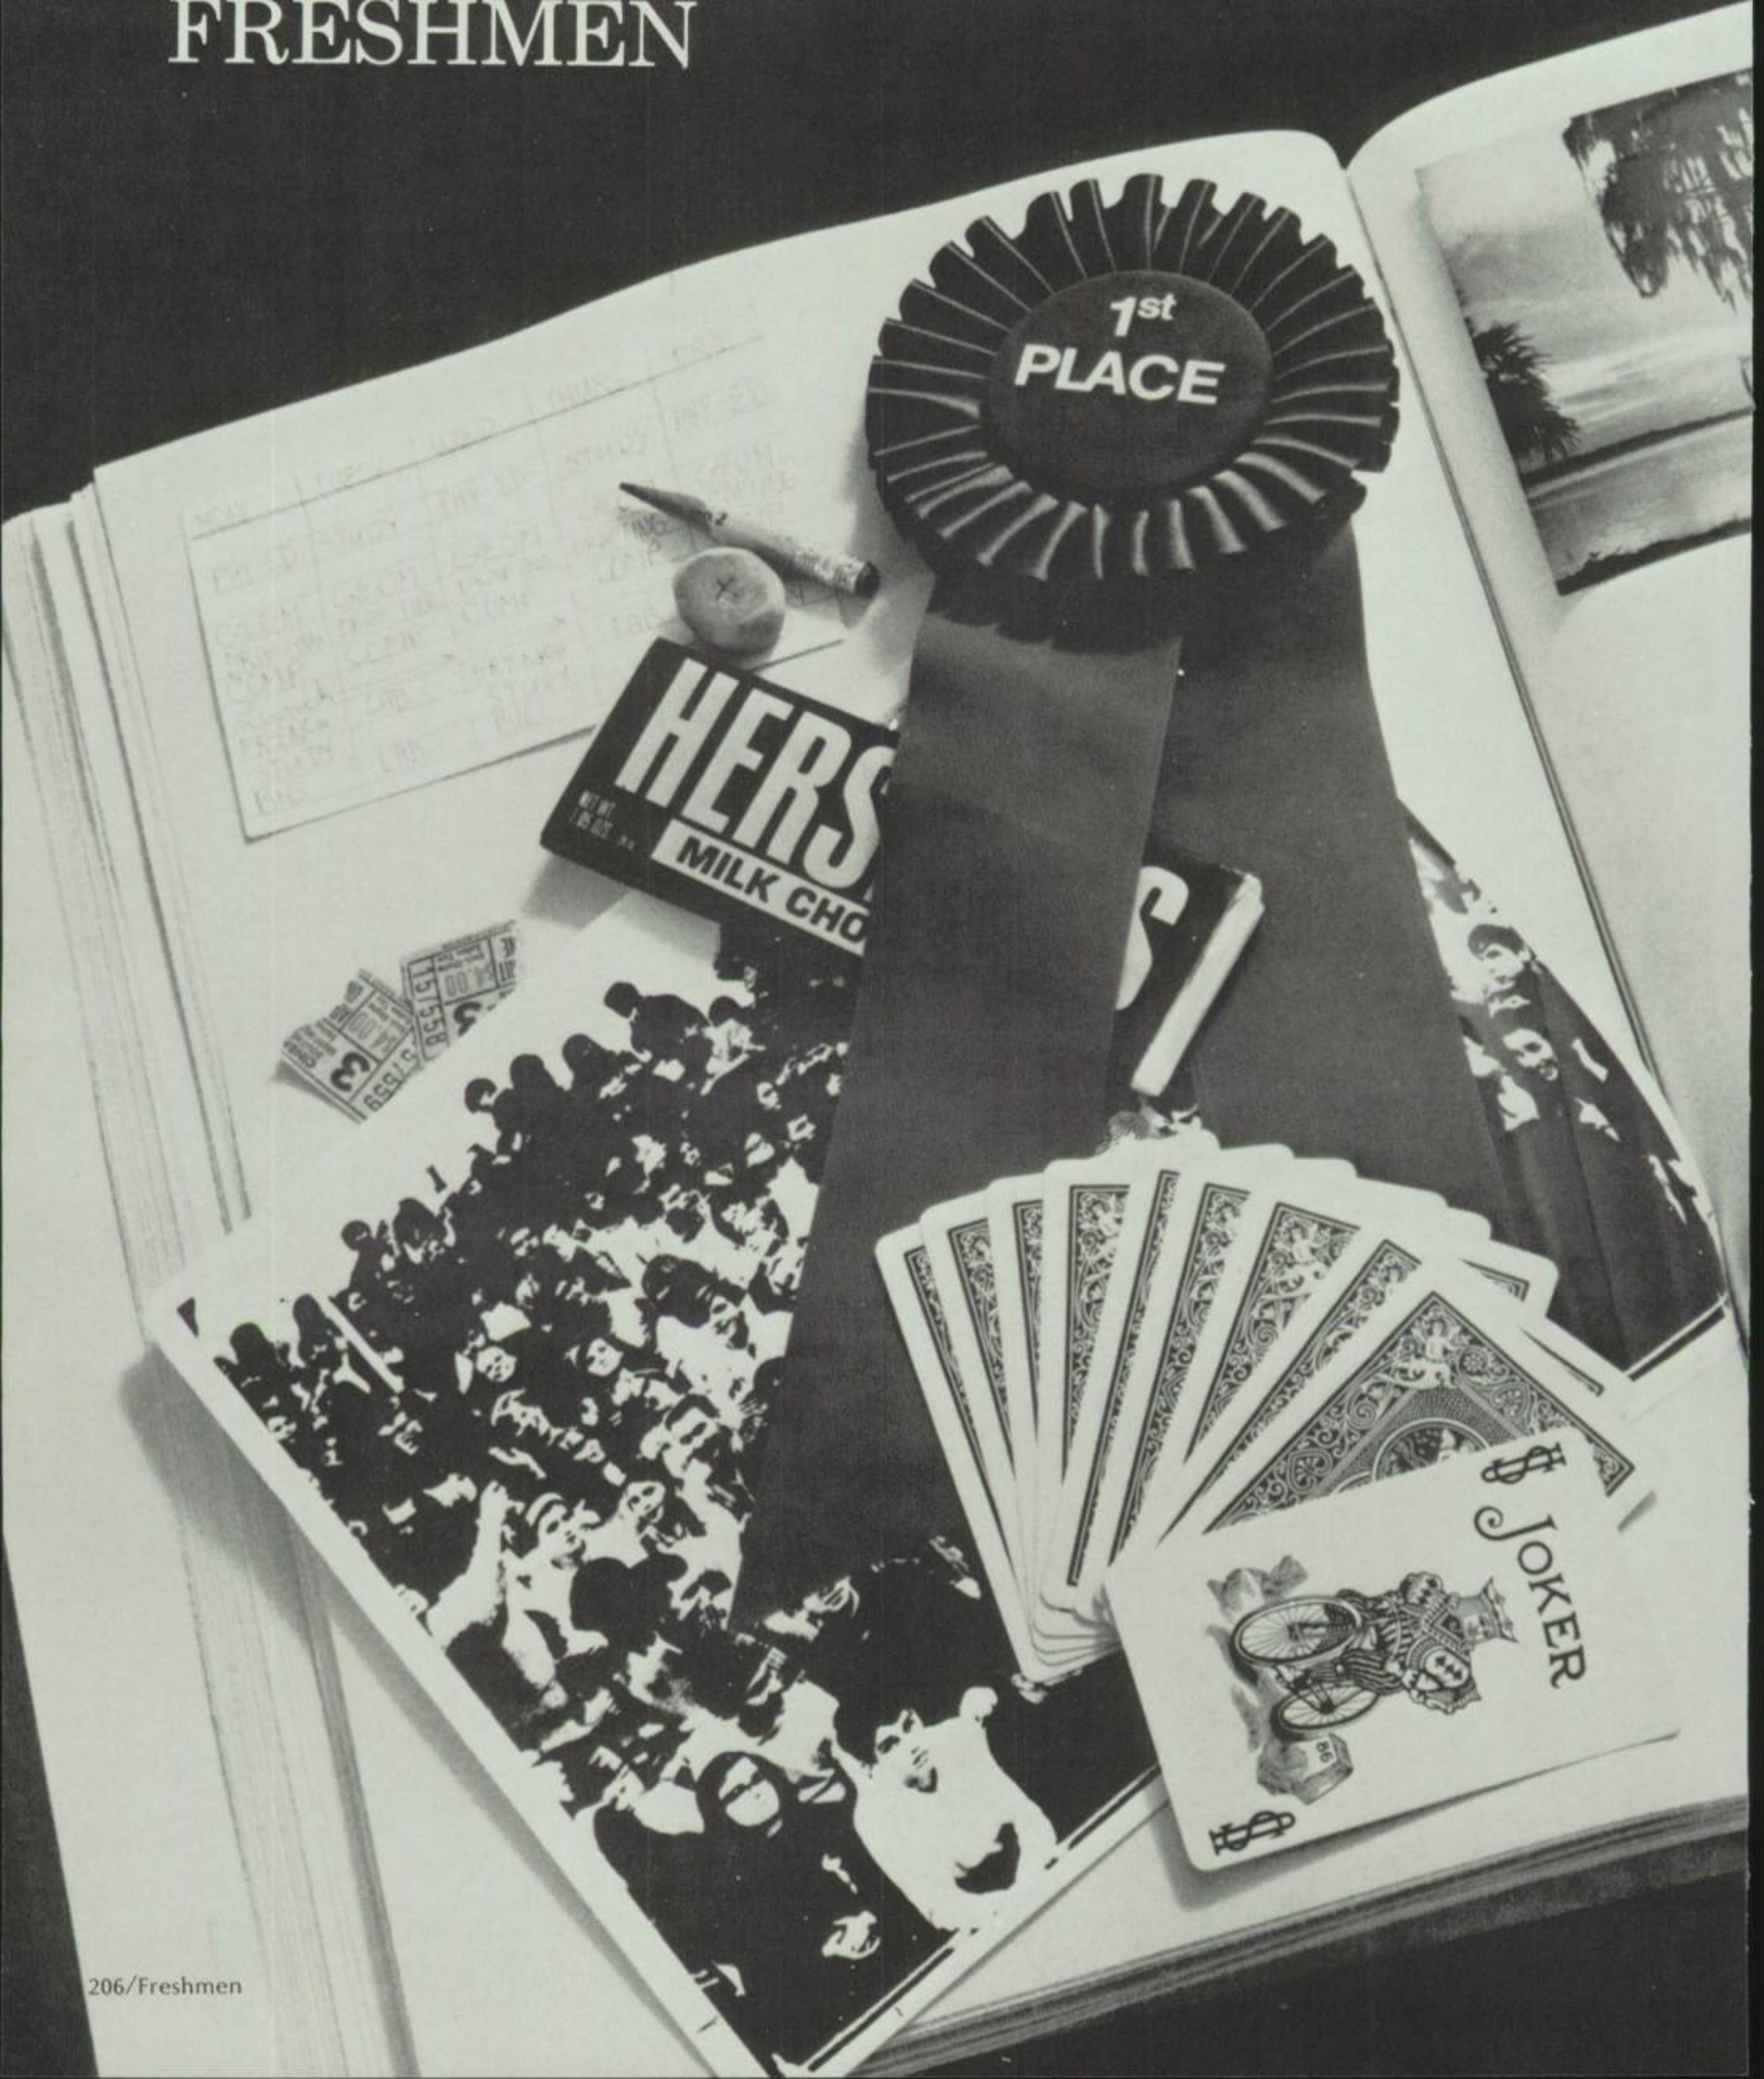
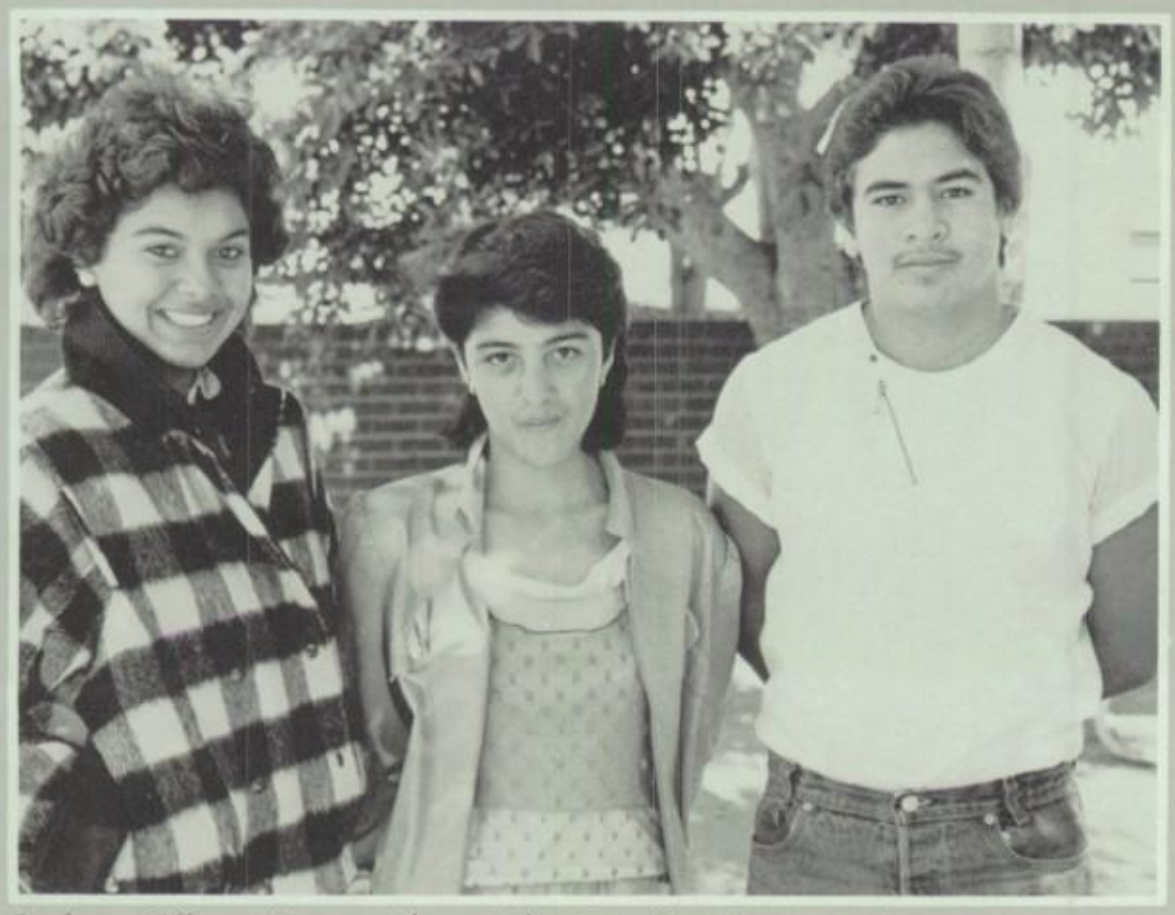
FRESHMEN





Freshmen Officers: Vice-president, Bridget Broaddus, Secretary, Gloria Bermudez, and President Sergio Magana

This year's freshmen came to Valley confused, but filled with excitement and anxiety. However, they adjusted easily. New friends were made, new teachers were encountered, and new habits were developed. They knew that the journey to the top would be hard, but they also knew that they had to continue the tradition of spirit and pep. Freshmen showed talent and spirit as well as the upperclassmen did. They chose officers: President, Sergio Magana, Vice-president, Bridget Broaddus, and Secretary, Gloria Bermudez. Freshmen could be seen wherever there were activities or sporting events. They were active!!

FACULTY

Faculty Showed Excellence

When one thinks of school, the faculty and staff at once come to mind. Talk to any alumnus, and he invariably will ask if a particular teacher is still at the school. The staff, both certified and classified, is the backbone of any school; and Valley High was fortunate to have dedicated teachers who spent hours at a time trying to motivate students to study and to prepare for their future lives.

Teachers are special people. A majority of them spend time both in and out of the classroom trying to give support to the students. They attend a variety of events ranging from athletic contests to dramatic productions. They advise clubs and supervise dances. They counsel students and often develop close friendships with their pupils. Teachers try to set good examples for their charges both on and off campus. A school's success or failure depends primarily upon the teaching staff.

So it was that Dr. Ivan McKinney, Valley's principal for the past nine years, spoke of his staff. "Whatever success that has occurred at Valley this year I attribute to the excellence of the faculty and the total support I have received from the staff as a whole. The year has been a great one. I am proud to be affiliated with a staff such as this one," McKinney concluded.

Dr. McKinney, one of the top educators in the county, worked hard to help his faculty keep the school running smoothly. He set high standards and strove to instill pride in both the faculty and student body. He succeeded.

Assisting Dr. McKinney were five other administrators: Mrs. Denise Tate, assistant principal of instruction; Mr. Remijo Alvarez and Mr. Paul Huston, assistant principals of student services; Mr. Robert Bristlin, guidance coordinator; and Mr. Derek Harrison, student activities director.

Lynda Lee Anne Joan Crawford Schultz, popular security guard at Valley since 1979, has led an extremely diversified life.

Born in Maywood, California, Lynda graduated from Pius X High School in Downey and later attended St. Joseph's College (now Marymount Loyola) where she obtained her degree and took her vows as a nun. As Sister Agnes Jude, C.S.J., she taught first grade in Orange.

When she left the convent, Lynda worked for General Telephone to support herself while furthering her education at Cerritos College where she received her A.A. degree in Police Science.

Married in 1966, Lynda has four children: Rob, Ricky, Boyd, and Bolynda. After her divorce in 1979, Lynda joined the staff at Valley as a campus security representative.

Lynda is extremely well known on campus and is noted for her sincere desire to help students in trouble. Her future plans include moving to Alaska or purchasing a sailboat so that she can live on a marina. Lynda would also like to pursue a degree in law at some future time.

Mr. Russell Boggie, born in Whittier, CA., learned to speak Spanish in different schools and colleges. He likes to travel to various Hispanic countries on most of his vacations. Currently he is a Spanish teacher at Valley and chairman of the Foreign Language Department.

"I have been teaching at Valley for 25 years, and I really enjoy my time here," he said, smiling. For the past eighteen years he has spent his time working as a reserve officer for the Newport Beach Police Department.

Asked about his "second job", he calmly said, "Police work is an interesting job. It's another education. This work helps me to meet a variety of people and to keep up on what's happening outside the school walls.

"As a policeman and teacher I work with good and bad people: and, hopefully, I help them to solve some of their problems," he concluded.

Gary Satrappe

Mr. Gary Satrappe, born March 11, 1944, started teaching at Valley in 1969.

During his high school years, Mr. Satrappe once scored 61 points in a basketball game and was the all state player that year in New Jersey. Mr. Satrappe attended Temple University where he went to school with Bill Cosby.

Other than teaching social studies, Mr. Satrappe has a shop in Santa Ana where he designs custom neon signs.

For fun filled vacations, Mr. Satrappe likes to go to Mexico where he lies in the sun, plays golf, and goes skiing. He also likes to spend a lot of time with his two sons.

A few years ago, Mr. Satrappe was on the "The Joker's Wild" on which he won five thousand dollars.

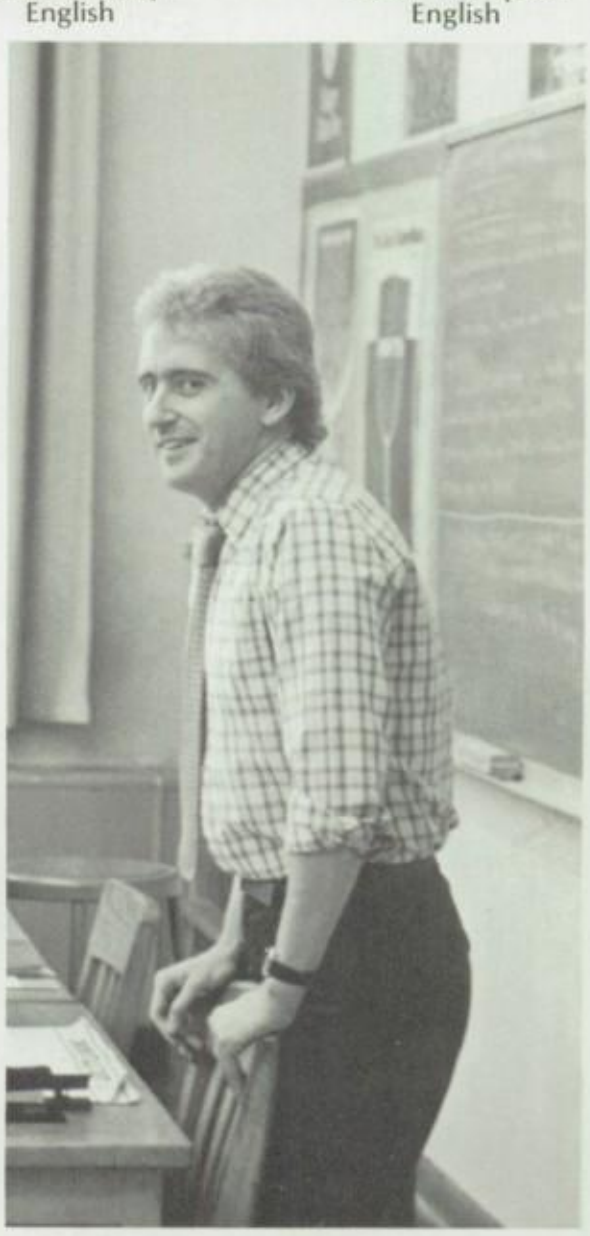
To travel with hope is better than arriving ... These words definitely describe Valley's world traveler, Ms. Margo Von Strohuber.

A passion for traveling has taken Ms. Von to many areas of the world. She has always felt the need to go to the "farthest" point.

"I once wound up in the Outer Hebrides just because it was there. Once I took a Russian ship to Spitzbergen, near the North Pole, so I could send mail from the northern most post office. A few years back I took a train from London to Hong Kong. The trip took me through Europe, the Soviet Union, Mongolia, and China."

Ms. Von also enjoys white-water rafting, hiking, skiing, and sports in which there might be an element of danger. She enjoys meeting people from different countries and sharing their culture. Surprisingly, Ms. Von hates to fly and will do almost anything to avoid it.



You little devil, you!

Mrs. Conner is really cooking.

Mr. Bill Fisher

Extremely caring and very fair are two adjectives which would describe Mr. Bill Fisher to a tee. Born in Kansas, Mr. Fisher moved to Santa Ana in 1958. After teaching at Smedley (Carr) for a year, he came to Valley as a biology teacher when the school opened in 1959.

After school hours, Mr. Fisher could usually be found on the athletic field where he coached football and track. Notable student athletes that Mr. Fisher has coached include Alvin Alaman and Olympian, Ed Carruthers.

School work, however, is only one part of this versatile man's life. With his wife, four sons, and one daughter, Mr. Fisher spent many years of togetherness building two summer log cabins in the wilds of the Colorado mountains. The cabins are located 11,000 feet above sea level in an area that is covered by snow most of the year.

In 1980, Mr. Fisher changed his summer style. Carrying 45 pounds of equipment in their bike packs, Mr. Fisher and his wife Donna cycled through England, Wales, and Scotland. They rode six to eight hours averaging from 35 to 50 miles a day. Their accomodations were dormitory-style youth hostels which included kitchen facilities. The Fishers plan to remain world travelers and their future plans include trips to France, Sweden, and Norway.

Watching a theater production in London, visiting the Coliseum in Rome, cruising through the Greek Isles, traveling down the Egyptian Nile, and touring the Orient and India are all immediate goals set by Valley's favorite librarian Mr. Arnie Winer.

A native of Nebraska, Mr. Winer attended high school and majored in art in college in his hometown of Omaha where he became interested in theater arts and appeared in several musicals including "Kiss Me Kate", "Pajama Game." and "West Side Story". In the mid-60's Mr. Winer came to California and began teaching English at Smedley. After attending the University of USC, Mr. Winer came to Valley in 1969 and became school librarian. Mr. Winer is a member of several librarian associations and with them, has traveled to places like Hawaii and Jamaica.

Although he loves his job, Mr. Winer also finds time for other activities. He loves to read, listen to music, work crossword puzzles, play Trivia Pursuit, and garden, Mr. Winer's home was once awarded a prize for decorating and landscaping by Sunset magazine.

As a member of The American Film Institute he attends many film salutes and, on several occasions, has seen famous actors in person. Three weeks during the summer are set aside so that he can visit "his second home", a beachfront condominium that he owns in Maui.

As for the future, Mr. Winer plans to form a partnership with a friend and open a video store specializing in classic art films.

Patti Payne, instructional aid in special education, who has been on campus for the past seven years, really enjoys her work at Valley, especially her work with the junior class because of their school spirit.

Born in Whittier, CA., Mrs. Payne graduated from Orange High School and later moved to Santa Ana where she and her family have resided for the past twelve years.

In her spare time Mrs. Payne teaches *Bible* classes in the Child Evangelism Fellowship to children from kindergarten to high school.

Exciting plans are in store for the Paynes who enjoy sailing more than anything else. With her husband Jim and their children, Pam, James, and Sean, Mrs. Payne spends most weekends sailing on their Catalina 27 in the Dana Point area. Their present plans include purchasing a 45 foot Hans Christian. When they find the boat of their dreams, the Paynes will sell their present home and live permanently on the boat.

School Nurse, Carroll Thatcher, ponders a problem.

"Junior varsity and varsity cheer, Art Club, Girls' League, Talon, Who's Who, CSF, class clown . . . " are just a few of the credits to be found describing Donna Wager, 1979 alumna who now works at Valley.

When asked how the school had changed since she roamed the campus Ms. Wager replied, "Since I'm on the 'other side of the fence' now, it is hard to say. When I was a student here, coming to school each day was fun! It seems as though more students were involved in extra-curricular activities, and we had a lot of pride in our school.

Going to the beach, shopping with her friends, reading, going to movies, and watching "Dynasty" are just a few of the ways Ms. Wager spends her leisure time.

Coming from a large family of eight, Ms. Wager is 23. She is a student at Cal State Long Beach where she is majoring in Liberal Studies. Sometime in the future she plans on teaching elementary school.

STAR

1985 was a Star Spangled year because of the following events . . .

The dismissal of Vanessa Williams, the first black Miss America because of erotic nude-photos . . . The sudden death of actor Richard Burton at age 58 . . . Ronald Reagan being re-elected as President . . . The transplant of a baboon's heart into an infant baby girl named Faye . . . Tina Turner returned after a eight year absence to win four Grammies . . . The accidental shooting of rising star Jon-Erik Hexum . . . The 50th birthday anniversary of Elvis Presley . . . The two California men who got artificial heart transplants . . . The year of Prince's "Purple Rain" which was the summer's hit movie . . . Jackson's Victory Tour, the most expensive and popular musical tour which barely made even . . . Songs by all-star groups Band-aid and the USA for Africa helped the hungry . . . Bidding goodbye to such long running shows as "Alice" and "The Dukes of Hazard" . . .

Watching "Dallas" . . . "The Cosby Show" . . . "Dynasty" . . . "All My Children" . . . "The A Team" . . . and the sad killing of twenty-two people at McDonald's in San Ysidrio.

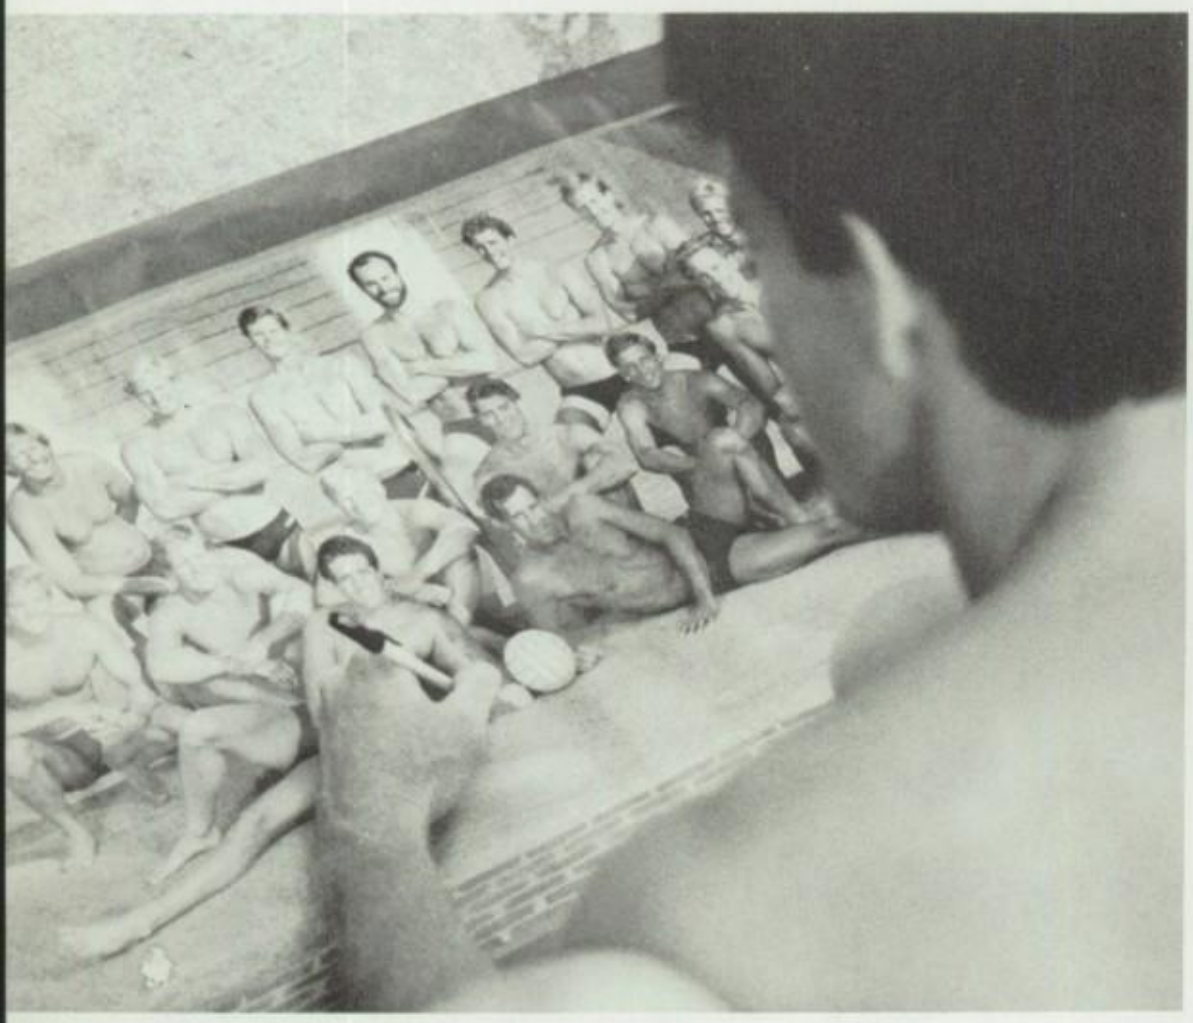
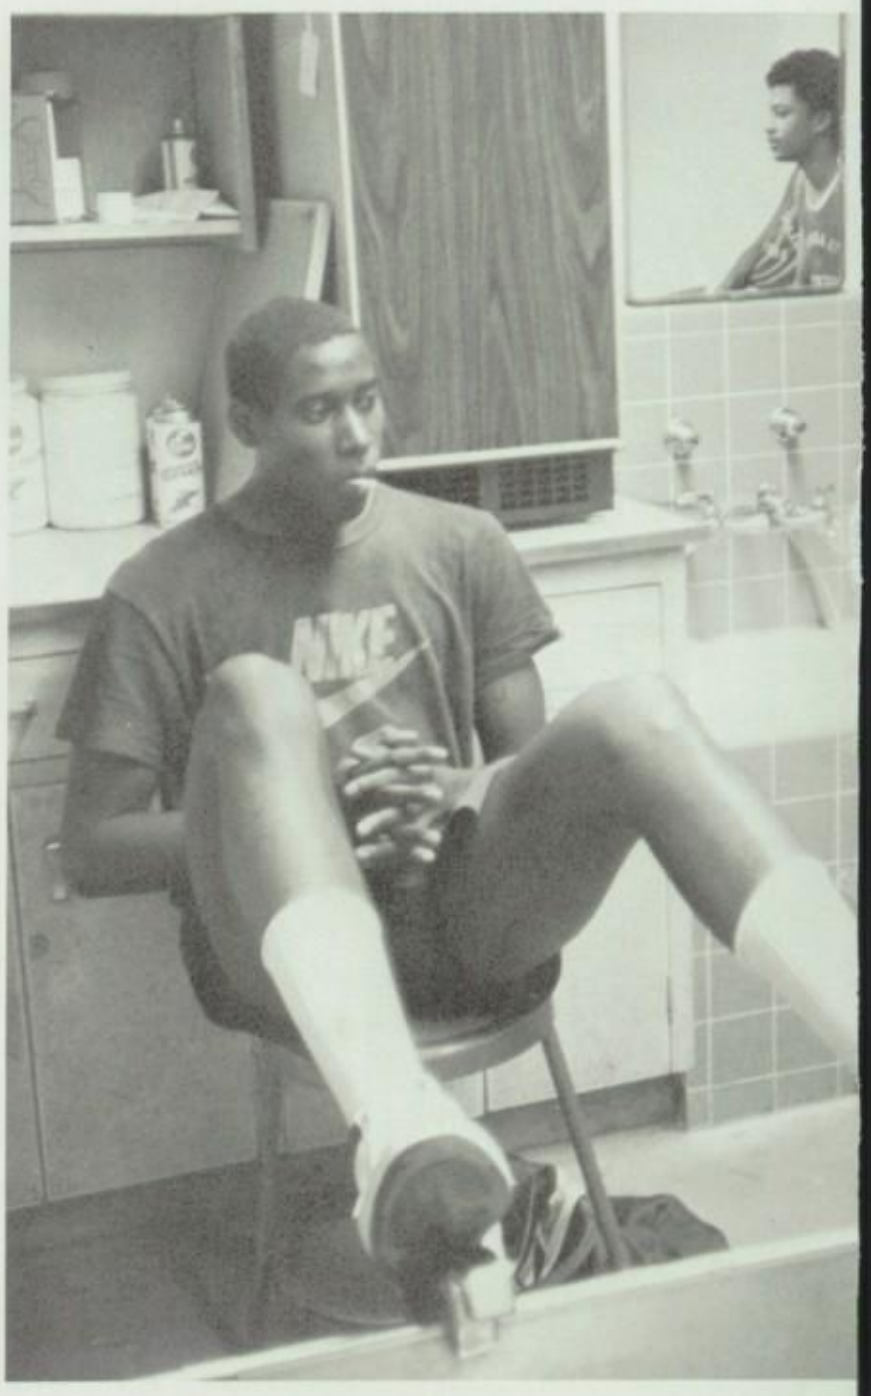
Moments To Remember . . . 1985



1984 Olympic water poloist Gary Figueroa visited Valley's campus.

Librarian Arnold Winer was busy in 1985 as his license plate shows.



Junior Alonzo Jamison spent a lot of time in the training room.

NO CONTRACTS!

WE THE MEMBERS OF THE TALON STAFF WOULD LIKE TO THANK THE FOLLOWING PEOPLE FOR THEIR HELP AND SUPPORT THIS YEAR.

THE TEACHERS, FOR ALLOWING STUDENTS OUT OF CLASS FOR YEARBOOK PURPOSES.

MR. AL FOWLER AND DIANE, FROM ALBERT AND JAMES

MRS. MARYLYN HARRIS, FROM JOSTEN'S

ALSO, A SPECIAL THANKS TO MR. JOHN THOMAS, YEARBOOK REPRESENTATIVE FOR JOSTEN'S

Here I am hard at work with my staff. Doesn't yearbook look brain racking?

Well, actually it is hard work. I was on the staff for two years. I spent the first half of my first semester in the class working on two pages! What's worse than that is I had someone helping me. When I first got into the class, I didn't know a pica from a 3-R. After I finally completed my two pages (with the help of Dawn C. Wells), I got down to some serious work. Thus, by the end of my junior year, I had proven that maybe I could handle being editor-in-chief.

So, in the summer of '84, I went off to yearbook camp (loads of fun) with Raymond Sasser at UCI. Raymond was to be my copy editor. He turned out to write most of the copy in the opening section and the activity section. I want to thank him for all of his excellent work. I would have voted him boy of the month.

Senior class editors Silvia Sanchez and Margarita Sanchez (no relation) did a fantastic job on the senior section. They were the two people who took graphics, copy, and pictures and made 32 pages of colorful memories.

The sports section is a total different story. As always, the spring sports are the last to go into the book and because of the March deadline it is hard to get complete copy for the teams. However, Felicia Pickford, Maritza Hernandez, Rosy Dole and Hiram Cespedes stayed after school and worked during lunch to complete the section. Other staff members like Lani Pickering also helped when they were able.

The faculty section was edited by Janice Ford. Janice was one of the hardest workers on the staff. She could always be found in the back room working diligently to finish her assignment. I'm very pleased with her section. She did a great job.

Class sections were done by Pam Payne, juniors; Darrell "The Pest" Warren, sophomores; and Phoa Moua, freshmen. All sections turned out well. We did have a slight problem with the junior section, but it was fixed. Phoua was a very hard worker. I think Mrs. Stuckey was grooming her to be a future editor-in-chief. Unfortunately, Phoua moved second semester.

Editor of the activities section was Rowena Old. Since we added eight extra pages of color in that section, Rowena definitely had her work cut out for her. She did a fine job with the help from Moirine Urban, Robert Sasser, Lynn Pouchie, Redonda Mullins, and Monica Beltran.

The club section, which is one of the more difficult assignments, was edited by Mirian Oconitrillo. She did a fantastic job. Her staff included Adriana Alvarado, Lisa Cobb, and Maria Medina. Mirian worked so well that I highly recommended her to be next year's editor-in-chief. Good Luck, Mirian!

The photographers are the most important workers on the staff. We had a great staff of shutterbugs this year. Headed by Kathy Price first semester were Vinh Dang, David Henderson, Luis Hernandez, Sandra Navarro, Robert Sasser, and James Payne. They worked before and after school to beat deadlines. Ms. Okamura, photo instructor, was kind enough to allow the yearbook staff use the photo room after school. She also helped with the cover design.

Last but certainly not least is our financial editor Vinh Doan. He worked on the ads and sales. He was another staff member who did a tremendous job.

I had a marvy time being yearbook editor-in-chief. I want to thank my staff for putting together one of the best books Valley has had. I also want to thank Mama Stuckey for helping out as the advisor. She always had some corny joke to tell. Thanks everyone!!

And remember Mrs. Stuckey: "Two and Two before".

Love'ya always,

Bridget Baldwin
